Constitution

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

ARTICLE V - Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messngers--to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general welfare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

ARTICLE VI - Reception and Continuation of Churches Within Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least two years. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient fervor in its work.

The Mission Planning Committee will receive written quarterly reports from the church. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of the two-years of watch-care, the committee shall continue to work with the church towards its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all rights and privileges of the Association except that of voting.

In like manner churches of the Association shall be expected to continue in the spirit and practice expected of new-member churches. Those churches admitted into fellowship in the Association, and all churches composing the membership of our Association, shall be expected to practice the requirements made upon churches applying for membership, with the exception that only watch-care churches be required to submit quarterly written reports to the Missions Planning Committee. At any time a church is found by the Associational Planning Committee to be delinquent or negligent in complying with the letter and spirit of this Constitution such a church shall be placed on probation for a period of twelve months. If at the end of this period the church fails to comply with the letter and spirit of the Association's Constitution, it shall cease to be listed as a member of the Union Baptist Association.

The Associational Missions Planning Committee shall be the responsible committee for the study of a church's life for membership and application shall follow the above specified procedure for admission.

The Association continues in this regard to be the final authority in the action relative to this article.

ARTICLE VII - Officers

The officers shall be a Moderator, Vice-Moderator, Clerk, Treasurer, Historian,

Training Union Director, Sunday School Superintendent, Brotherhood President, Music Director, Woman's Missionary Union President, Field Worker, and such other officers as may be needed.

The Moderator and Vice-Moderator shall be nominated and elected from the floor.

The Missions Planning Committee shall appoint a Nominating Committee of seven to nominate a clerk, treasurer, and historian for the Association's consideration.

The same Nominating Committee will also be responsible for nominating the officers and leaders in the Sunday School, Training Union, Brotherhood, and Music Departments. These will be presented to the September meeting of the Association's Executive Committee for approval.

The Woman's Missionary Union of the Union Association will elect their president.

A vacancy in the office of the Field Worker will be filled by the Associational Executive Committee. The tenure of service for the Field Worker will be based on an indefinite call.

With the exception of the Field Worker, these officers will be elected annually and their terms of office shall commence at the close of the session at which they are elected. Those filling the offices of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

ARTICLE VIII - Duties of Officers

1. It shall be the duty of the Moderator to open the meetings punctually at the time appointed, to enforce the rules, to preserve order, and to exercise all the prerogatives of a presiding officer according to the principles of established parliamentary usage. He shall appoint the following committees: Place and Preacher and the Resolutions Committee. The Moderator shall be ineligible for more than two one-year terms in succession.

2. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

3. It shall be the duties of the Clerk to keep a faithful record of the proceedings of the body, and use all diligence in having same printed and distributed to the churches as soon as possible; to mail to the church clerks forms of the annual letters, and to keep on hand the printed Minutes and other important documents belonging to the body. He shall also serve as secretary of the Executive Committee.

UNION BAPTIST ASSOCIATION

ANNUAL SESSION 1966

Morning Session, October 25, 1966

1. Moderator Glenn Rushing called the Union Baptist Association to order at 9:45 a.m. on Tuesday morning, October 25, 1966, in the Wingate Baptist Church for the One Hundred Twelfth Annual Session.

2. The Worship period began with the singing of the hymn, "O Worship the King" with John Vann Chaney of Shiloh leading and Mrs. W.E. Allen of Wingate at the piano. Cecil N. Johnson, pastor of King Memorial Church, chose Judges 6:11-24 as the basis on which he challenged the messengers to unite as an association of Christian churches in the realization of the depth of their personal experience with God, and with His companionship exercise their belief in God's Word and loyalty to His will by going forth to conquer sin and grow into mature Christians for a glorious Christian witness. The devotional period was closed with prayer by Mr. Johnson.

3. Reporting for the Nominating Committee, Frank Crumpler placed in nomination the name of Mrs. R.V. Greer for the office of associational clerk. The motion was seconded and Mrs. Greer was elected to serve as clerk for this session.

4. Roll call was dispensed with by motion of Gene Walter, duly seconded, and so voted. (Registration slips revealed a total of 342, representing 55 churches. With visitors and college representatives the total for the first day was around 400.)

5. The moderator recognized 9 new pastors who had come into the association since the last annual meeting and welcomed all visitors and messengers present.

6. In the absence of the vice moderator, Glenn Rushing appointed R.V. Greer to act as vice moderator for the annual session.

7. R.V. Greer then introduced Reggie Rushing, son of the moderator, who sang "We Give Thee Thanks," accompanied by Miss Wilma Jackson, both of whom were students at Wingate College.

8. Moderator Glenn Rushing was introduced by R.V. Greer for his annual address. Using Psalm 33:12, "Blessed is the nation whose God is the Lord," Mr. Rushing raised the thought-provoking questions, "Is the God of America today the Lord?" and "Is the God of our churches the Lord?"

9. The moderator called for the Reports and recognized Frank Crumpler, who gave the highlights from the three General Board meetings for the year. He reported that the major revisions in the Constitution of the State Convention to be brought before the Convention in November had been favorably received by the Board; that there would be discussion toward the creation of a new ministry in the area of juvenile rehabilitation; and that the Budget Committee had recommended setting a higher goal than ever before for the Cooperative Program. The report from the General Board was given as information and no action was required.

10. L. Eugene Walter, Chairman of the Finance Committee, called attention to its report found in the Book of Reports and Recommendations and moved its adoption. The motion was seconded and carried.

11. The moderator recognized J. Howard Williams, Treasurer, who presented his report as printed and moved that it be adopted. He noted that every organization had operated within its budget and stated that every church in the association had made a contribution to the Minutes Fund. The motion was then seconded and so ordered.

12. Moderator Glenn Rushing, who serves as Chairman of the Missions Planning Committee, reported that the committee had been unable to get a church to sponsor a mission in several possible places and requested that churches in the Stewart Park

section make this a matter of prayerful concern. This report was submitted as information.

13. Mr. Rushing also gave the report of the Executive Committee, stating that the committee had voted to reduce the receipts from the State Convention for the field worker and associational missions from $1,080.00 to $980.00 for next year. This too was submitted as information, requiring no action.

14. The moderator then recognized Field Worker, Claude H. Hamby, for his report. Mr. Hamby stated that "his" report was really "our" report, including his faithful wife who has served so conscientiously as his co-laborer. He paid tribute to P.E. Jones and his contribution as field worker, remembering his death since the last annual session. Mr. Hamby also expressed appreciation to all in the association who had worked faithfully for the cause of Christ in various places of leadership, challenging them, in the midst of a world revolution, to face the multiplying problems by seeking God's will and His way for the solution to the problems. He asked that the messengers make a resolution--for 12 months to seek God's leadership and His will not only in daily living and the work through the church but seek His will in bringing the tithe into the churches of Union County. He urged service to God through prayer, money, hands and hearts in making next year the best year in the association.

15. The congregation sang, "Saviour, Like A Shepherd Lead Us."

16. The moderator recognized the host pastor, L. Eugene Walter, who welcomed the messengers and visitors on behalf of the Centerview, Faulks and Wingate churches and gave directions as to church facilities and the noon meal.

17. The following committees were appointed by Glenn Rushing:

Robert Taylor, Pastor, Mill Creek

Resolutions:

Hollis H. Walden, Mt. Pleasant

18. Under the direction of James Blackwelder and accompanied by Miss Wilma Jackson, the Wingate College Choir led in a period of worship in song.

19. Continuing the period of worship, C.H. Arrowood, Pastor of Olive Branch, read from Romans 1:1-17 and led in prayer.

20. The associational annual sermon on "I Am Not Ashamed Of The Gospel" was delivered by F.E. Baucom, Pastor of Hamilton Cross Roads, who used Romans 1:16 as his text.

21. At the close of the sermon Mr. Baucom blessed the food for the noon meal and dismissed the congregation with prayer.

Afternoon Session, October 25, 1966

Mr. Yow emphasized the urgency in reaching the many young people outside the church and enlisting them in Sunday School. Report was adopted.

25. The Brotherhood report was presented by J.B. Helms, Brotherhood President, who moved that the report be adopted. Motion was seconded. Mr. Helms read the

29. The Wingate College Choir again rendered several selections under the direction of James O. Blackwelder.

30. The moderator recognized Thomas Faulkenberry, of the Wingate College faculty, who introduced to the Association 5 students who were sent by the Trustees of Wingate to do mission work in North Dakota during the past summer, these being Ken Childers, Duane Martin, David Long, Ann Hargrove and Lynn Phillips. Lynn and David shared some of their experiences and something of the work that is being done in that area. Both brought requests from the mission field for prayers and for money that the work might be continued.

33. Glenn Rushing recognized Dr. Budd E. Smith who expressed his gratitude for young people such as those who were involved in the student mission work, each of whom made decisions toward their life's work as a result of their experiences. Dr. Smith stated that the purpose of a school such as Wingate was not only to help young people to decide upon church related vocations but to send out also Christian businessmen, lawyers, teachers and others. He said that he and his faculty were dedicated to giving to young people the very best that could be had in mental development and spiritual development, and anticipated doing even more with the enlargement program through the new Fine Arts Building.

34. Mr. John Bivens was recognized to make an announcement. He asked that all present please register. Mr. Bivens also expressed appreciation to Dr. Budd Smith for the beautiful flowers placed in the sanctuary and stated, on behalf of Wingate Church, that it had been a great pleasure to work with Faulks and Centerview Churches in preparing for and entertaining the Association.

FIELD WORKER'S REPORT

After having served in the Association and the churches for almost three years we have come to know many of you by name. We count it a genuine privilege to serve in this capacity. These months have brought many delightful experiences. It is always a rewarding experience to observe the growth in the lives of individual Christians. On a somewhat larger scale, we have been permitted to observe the growth and development of work in all the churches in Union County Baptist Association. Our hearts are made to rejoice with every forward step.

During these three years many of the churches have erected new buildings, new pastor's homes, new fellowship buildings, and have made various improvements and additions to already existing facilities. Also, substantial increases have been made in contributions, both to local and world wide causes. A goodly number of churches

have increased their gifts through the Cooperative Program. The complete reports for the current Associational year are not in at this time, but we have reason to believe that our total giving through this channel will show a definite increase.

Many questions we constantly face are of tremendous importance to all of us, and I should like to mention some of these:

1. Are our churches keeping pace with the constantly changing situations about us?
2. Are we keeping faith with Christ, our Saviour and Lord, who challenges us to give His message to all the world?
3. Is the SPIRITUAL DEPTH of our individual lives commensurate with the growth of our physical facilities?
4. Will the generations who follow us be justly proud of their heritage?
5. Are we seeking, as Christian individuals, to become so INVOLVED in the will of Christ as to be expendable in His service?
6. What does the future hold for our churches if we do not, under God's leadership, shake off our lethargy and come to grips with many of the staggering problems which we face in this generation?

One of the deepest convictions of my soul is that there is but one obvious answer to the situation with which we are confronted at this point in our lives. There must be developed a HOLY DISCONTENT and RESTLESSNESS with our halfhearted and lukewarm attitude toward the principles of Christian faith. There must be an awakening on the part of those who say they have accepted Christ's Way of Life. Christianity is more than just a RELIGION. IT is a way of life. This way of life, in Christ, takes preeminence over all else. Those who embrace it must die to SELF and to the world. They must recognize that God holds title to all of life and substance. Our people need to recognize, above all things, our own limitations and God's limitless Powers. The primary trouble with us today is not a lack of knowledge but a lack of DEVOTION to the living God. Christ's way of life demands that it be the supreme value around which all lesser values are placed. The church of the living Christ must seek to become TOTALLY INVOLVED, and thus meet the challenge of this bewildered world in which we are called to witness.

Our constant and sincere prayer for Union County Baptists is that we may be willing to arise to the occasion and give ourselves, under His leadership, to the tremendous task of bringing people to Christ and helping them to become involved in the sharing of His message with this chaotic and needy world.

Respectfully submitted,
The Hambys

BAPTIST FOUNDATION REPORT

This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of The North Carolina Baptist Foundation, Inc.

Respectfully submitted,
C. Gordon Maddrey,
Executive Secretary

SUNDAY SCHOOL REPORT

Can it be said of Union County Baptists that we are content with our present status in Sunday School Work? My hope and prayer is that we may be possessed with a deep and compassionate concern that will furnish the incentive for a greater outreach in all areas of our work.

Southern Baptist Sunday Schools have as a goal eight million people enrolled by 1969. Our goal in North Carolina is for a combined enrollment of 800,000. Attaining these worthy goals will require concerted effort on the part of all our people.

As churches throughout the Convention enter into the new church year, many also will be entering into the Church Growth Plan. This Plan is a continuing concern at work through a Church-Centered, Sunday School - led, Adult-focused, correlated effort to reach people for Christ.

We must face squarely some questions that are of vital concern to all Southern Baptists. As the population explosion continues, will we be able to reach the masses? Is our glorious history becoming a mere shadow? What is going to happen to Sunday, the Lord's Day, in our Country? Where do we go from here? The answers to these questions will be determined by our generation. The future of Southern Baptists may well be determined by the commitment and dedication of our Sunday School leadership.

The Sunday School has been the evangelistic arm of our churches. Christ's method has always been to go where the people are. If they won't come to our lovely buildings and large plants, then we must go where they are. Reaching the unreached is primarily the job of church members. Southern Baptists have the mission, the message, and the men. May God give us the courage, the faith and the compassion to go in His Name to reach the masses for His cause.

Roy P. Yow, Superintendent

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. A new approach to this work is being offered. New ideas and materials are designed for our spiritual growth and the enrichment of our total church life.

Never has the need been greater for the training of church leaders, and all Christians, than at this very moment. The challenge is to every individual, and every church, to take advantage of the tremendous opportunities for service in the work of our Lord. The Speaker's Tournament, Sword Drill, and Bible Reader's Tournament are open to every church, and will be a good experience for every participant. Also, Youth Week should be observed by every church. Church leaders are urged to encourage participation in all these activities for the new year. Use of the Bible is one of the important phases of the Training Union program. Let's get down to real business this year and move out in Training Union Work.

Your Director visited in twenty-nine of the churches during the year, and assisted in the organization of one new Training Union. Attendance in our Associational Meetings has been fair at times and rather poor at others.

I want to thank you for giving me the privilege of serving in the Training Union ministry this year. I would urge you to resolve NOW to give the new director, and his staff, your fullest cooperation and support and your earnest prayers as he seeks to serve in this capacity.

Respectfully submitted,
John G. Hargett, Director

BROTHERHOOD REPORT

A new concept of Brotherhood was approved by the Southern Baptist Convention in its annual meeting June, 1965. It reads:

> "The objective of the Brotherhood Commission is to support the Southern Baptist Convention in its task of bringing men to God through Christ by fostering programs that will assist the churches in their tasks of leading men, young men, and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions."

This objective makes Brotherhood one of the five church program organizations. The other four are Training Union, Sunday School, Woman's Missionary Union, and Music Ministry. The Director of Brotherhood should be elected by all churches along with officers and teachers. He would be a member of the church council. He then should make it his responsibility to start at least one of the three units of organization: Baptist Men (25 years and older), Baptist Young Men (18 - 24), and Royal Ambassadors (9 - 17). A church having any one of these three units has Brotherhood and it should be so reported on the church letter.

The officers of our Associational Brotherhood have worked diligently in planning for the promotion of our stated objective. We can only achieve as you and your church allow it through your cooperation and participation. The only reason Brotherhood hasn't helped your church is YOU wouldn't let it. Pray that all our churches will awaken to the need and the value of Brotherhood in fulfilling our mission as Christian people.

Respectfully submitted,
J.B. Helms, Brotherhood President

WMU ANNUAL REPORT - 1966

"Christian Witnessing" has been emphasized throughout this year in W.M.U. The Watchword for the year was "Having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred and tongue, and people." Rev. 14:6b. With this theme in mind, we have stressed the importance of sharing the gospel message with others at home and around the world.

We began the Associational year with a drive for clothing which was sent to Mission Schools in Brazil and Kentucky. In November the Basic Leadership Courses were taught with a total of 102 women receiving Leadership Cards.

The Mission Study Institute was held at Benton Heights Church on March 22 with Dr. Marian Hume of Wingate College teaching.

Four Associational Y.W.A. meetings were held during the year. The Girls Auxiliary held a very enthusiastic Rally at Lee Park Church on May 27. Sunbeam Day Camp for eight year old boys and girls was held at Oak Grove Church on August 18.

The Annual meeting was held on April 14 with Austin Grove Baptist Church. There was an afternoon session beginning at 4:30, dinner in the Fellowship Hall, and an evening session at 7:15. The Missionary Speaker for the meeting was the Rev. Otis Brady who serves on the Mission Field in British Guiana.

Regular Executive Board meetings were held quarterly throughout the year.

We trust that this year of special emphasis on Witnessing leaves us with the urge to sing "O, For a Thousand Tongues to sing Our Great Redeemer's Praise."

We anticipate renewed interest and activity in W.M.U. work next year under the leadership of a new President, Mrs. Anne Brooks. It is our purpose this year that we

may "Grow in Grace and in the knowledge of our Lord and Saviour, Jesus Christ." 2 Peter 3:18.

Respectfully submitted,
Mrs. J. Howard Williams, President

MUSIC MINISTRY REPORT

In recent years Southern Baptists are coming to realize the tremendous importance of a good program of church music. This new concept has caused many of our Baptist Convention leaders, and our churches, to place greater emphasis on training in Music. All of us realize that one of our greatest needs is for MORE and better trained Musicians. The challenge is for every person who has responsibilities in the music program of his local church to take advantage of the many opportunities to better prepare himself for his work of witness through music.

The Associational music ministry exists to serve the churches in their music needs. Our State Music Department provides several weeks of music emphasis at the North Carolina Baptist Assembly and at Fruitland Baptist Camp each summer. Then, a week is provided at Ridgecrest each year for this purpose. Our people need to take advantage of these wonderful opportunities for study. Also, many pamphlets and posters dealing with a church music program are available, free of charge, from our State Music Department in Raleigh.

John Vann Chaney, Director

EVANGELISM REPORT

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament Churches, preaching the Gospel of Jesus Christ, preaching both precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the Crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the Crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous. individual church, and area revivals.

Respectfully submitted,
Ellis L. Marks, Chairman

RADIO AND TELEVISION COMMISSION REPORT

Southern Baptist programs were broadcast on an all-time high number of radio and television stations throughout the world last year. The 21 programs produced and

distributed by the Radio and Television Commission showed a net gain of 453 stations during the year, not including the Armed Forces Radio-TV Network of 238 stations which now carry a selection of these programs.

The Federal Communications Commission report of November 30, 1965, showed that Southern Baptists' Radio-TV Commission programs were on 33 percent of 4,018 AM radio stations on the air in the United States. The Commission's total estimated audience for its programs was 51 million in 1965, and mail response from these viewers and listeners was 100,000.

The Radio-TV Commission reaches many people in ways other than through broadcasting. (1) Direct mail has proved most effective for reaching the largest number of people at the lowest cost. (2) THE BEAM is the Commission's monthly magazine, offering printed sermons preached on "The Baptist Hour" and other printed sermons for reading by ministers and laymen alike. The Spanish version of THE BEAM (SENALES) has been well accepted and is now being mailed to 5,000 overseas listeners a quarter. (3) Christian Home Music is another facet of audience building which is destined to grow with the addition of Miss Jo Ann Shelton as a full-time employee and director of program music.

The Commission stands on the threshold of its greatest service to the denomination for taking the good news of our Lord to lost men and women of this world. As the population of the world continues to mushroom, radio and television become more than tools - they become a missionary force in the world, without which literally millions may never hear of the love which Jesus Christ bears for them.

Continue to pray for the Commission and its personnel as they seek to serve God in this marvelous opportunity to preach Christ.

Respectfully submitted,
Cecil N. Johnson, Chairman

CHRISTIAN EDUCATION REPORT

Our Baptist colleges are playing an increasingly vital role in Christian higher education. The denominational college is taking seriously the task of producing Christian leadership for all areas of society as well as training those who are volunteers for church vocations. Our report this year is encouraging. With certain facts published by the Council on Christian Education, we comment briefly on several areas of advance.

Since the founding of our seven Baptist colleges a grand total of 48,013 young men and women have graduated from these schools. Total enrollment for the fall semester of 1965 was 11,414. As of now approximately 600 young men and women who expect to give their lives to one of the Christian vocations are enrolled in North Carolina Baptist colleges. These include pastors, chaplains, directors of Christian education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others.

The Cooperative Program has been called the lifeline for North Carolina Baptist colleges. Funds from this source in 1966 will run approximately $1,382,000 for the Council on Christian Education and our seven Baptist colleges. In addition to this, each college will share in an anticipated Cooperative Program overage of approximately $120,000. For 1966 the Cooperative Program income for the seven Baptist colleges represents an endownment in excess of $35,000,000. This guaranteed annual income is an important factor in maintaining accreditation. An advance for the Cooperative Program is always an advance for Christian higher education.

We are grateful that more churches each year are participating in the observance of Christian Education Day, which is always on Father's Day, in June. There are two

objectives in observing Christian Education Day: to afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist colleges to the denomination; to provide an opportunity to make an offering over and above the regular Cooperative Program giving. This offering now amounts to more than $100,000 and could very easily go to $200,000 with the cooperation of our Baptist churches. We urge every church to observe Christian Education Day in 1967.

The Council on Christian Education, at the July meeting on the campus of Chowan College, voted unanimously to engage in a special study on the Christian vocational worker.

Concern is being felt throughout the Convention because of the general decline in the number of young people choosing a Christian vocation. Two of the main emphases of this study will be: (1) The most effective way that the Baptist colleges, the State Convention, and the local churches can join hands in enlisting more young people for the Christian ministry. (2) How more financial assistance can be made available to these students.

The Committee on Christian Education offers the following suggestions for the churches of the Union Baptist Association for the coming year:

1. We are fortunate to have one of our seven Baptist colleges within the geographical area of our association. It is the hope of the Christian Education Committee that we will take renewed interest in Wingate College and that we will increase our financial support of Wingate in the coming year.

2. The Committee urges the churches of our association to encourage every prospective ministerial or missionary candidate to enroll in one of our Baptist colleges.

3. The Committee encourages the practice of assisting financially any worthy and conscientious student through the local church budget. To establish a college fund or grant in the local church might encourage many students to go on to college.

4. The Committee on Christian Education urges that every church stand firm on the principle of liberty and individual freedom in a world which is becoming increasingly secular in nature. More individual attention must be given to the young people of our churches who show promise in Christian service.

5. The Committee requests each local church to organize a program to help prepare young people for college or professional school. We feel that this would be a very vital step in the encouragement of young people to seek higher education.

Respectfully submitted,
Frank H. Crumpler, Chairman

CONSTITUTION AND BY-LAWS REPORT

At the 1965 meeting of the Union Baptist Association the report of the Constitution and By-Laws Committee which called for a serious study of our present Constitution, "with the view to preparing a more detailed and up-to-date document," was approved.

Your committee feels that this continues to be a need of our association and proposes during this year to develop a new constitution. The committee feels that a new constitution should deal more clearly with the matter of giving strong emphasis that member churches meet the constitutional requirements concerning responsibilities of membership.

Another major area of concern has to do with policies and procedures relating to the office and work of the Associational Field Worker. Most of our present Constitution was written before the creation of the office of the Field Worker and provides little in the area of guidance or statement of policy and procedures.

For the consideration of the messengers to the 1966 annual meeting the following proposed Constitutional changes are recommended:

1. That Article VII - Officers, be amended in the last paragraph of the article by

striking the words, "...and their terms of office shall commence upon their election," and inserting the following:

"...and their terms of office shall commence at the close of the session at which they are elected. Those filling the offices of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting."

2. That Article IX - Executive Committee, Section one, be amended by striking the sentence "Their terms of office shall be for one year and shall begin with the annual meeting of the association," and inserting the following:

"Their terms of office shall be for one year and, excepting the offices of Clerk and Treasurer, they shall assume their duties at the close of the session at which they are elected. Those filling the offices of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting."

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

BAPTIST CHILDREN'S HOMES REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a

Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars ($315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

REPORT

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day Offering, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have

benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day Offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the Offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

CHRISTIAN LITERATURE REPORT

Christian literature stimulates the spiritual growth of individual Christians and is a challenge to the church as a whole. Baptists, long aware of this need, have provided much Christian literature, published by our Sunday School Board, the Woman's Missionary Union, the Brotherhood Commission, the Missionary Boards and the Baptist State Conventions.

In addition to our curriculum literature, coming from the Sunday School Board, for use in our Sunday Schools and Training Unions (that every Baptist church should use), there are a number of other periodicals to furnish inspirational reading and helps for different groups of our Christian society, namely: ADVENTURE, UPWARD, OPEN WINDOWS, HOME LIFE, and others. These have been great assets to the Christian way of life through their lofty challenge. HOME LIFE should be provided for every home by every church. Also this is true of THE COMMISSION, journal of the Foreign Mission Board, HOME MISSIONS, journal of the Home Mission Board, BIBLICAL RECORDER, journal of the Baptist State Convention of North Carolina. The latter three publications may be placed in the church budget and mailed direct to every church family for a fraction of the cost for individual subscriptions.

By all means, the BIBLICAL RECORDER should go into every Baptist home in North Carolina, and it is up to the individual church to see that it does. It is through our state papers that we keep informed concerning our denominational work, both state and south-wide. Editor, Marse Grant, is to be congratulated on the broad, and generally unbiased, coverage that he gives through the BIBLICAL RECORDER. We can rest assured that he will keep us informed on matters in our changing society.

CHARITY AND CHILDREN, published by our Children's Home press, also is worthy of honorable mention. Not only does it furnish us with information and interesting reading but provides job training for the young people of the Homes who are interested in printing and journalism.

O.S. Long, Chairman

ANNUITY BOARD REPORT

THE SOUTHERN BAPTIST PROTECTION PLAN:

For the first time in two years, all ministers who are not enrolled in the Southern Baptist Protection Plan are being informed about its benefits. A direct mail campaign has been conducted to give ample information to prospective ministers in each state convention.

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10 per cent of any amount up to $4,000 year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is $400 a year if its minister is under 60 years of age.

THE HEALTH BENEFIT PLAN:

Enrollment has reached 10,054 in the Health Benefit Plan. During the past year, promotional emphasis has been placed on this plan.

The Health Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

BENEFITS PAID:

In 1965, almost $4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

Since the beginning of the Annuity Board in 1918, almost $51 million has been paid out in benefits which annuitants have termed "manna from heaven."

MEMBERS IN ANNUITY BOARD PLANS:

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 per cent dues.

There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention agencies who have protection programs with the Annuity Board. There are more than 28,000 members in the retirement plans of the Annuity Board.

There are seven states with 70 per cent or more of the churches in the Program. At present, North Carolina has 48 per cent of the churches in the Protection Program for ministers.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information

about any of the plans in the Protection Program contact Rev. Guy Cain; 301 Hillsboro Street; Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building; Dallas, Texas 75201.

COOPERATIVE PROGRAM REPORT

A pressing need of each church in our Association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done, and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several Associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our Association gave a total of $47,247 this past year through the Cooperative Program. Four of our churches did not share in world missions through the Cooperative Program during this Associational year.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis each year.
3. That the churches give regularly through the Cooperative Program.

Thomas J. Lomax, Chairman

ORDINATIONS ADVISORY COUNCIL REPORT

The Committee on Ordinations examined, and counseled with. two men this year in regard to their call to the Gospel ministry. Each man was questioned rather extensively concerning his own Christian conversion, his call to the ministry, and his beliefs concerning many of the fundamental doctrines of the Bible. Both men answered

all questions satisfactorily and the council unanamously recommended that they be ordained.

The first man to be questioned was Frank Knight, a member of the Mary Elizabeth Baptist Church. The request for ordination had been made by the Long Branch Baptist Church of Chesterfield, S.C. The Mary Elizabeth Church proceeded with the ordination and Mr. Knight is now serving the Long Branch Baptist Church.

The other man, Frank Barwig, a member of Austin Grove Baptist Church, has been extended a call by the Euto Baptist Church in Union Baptist Association. The service of ordination will be held on Sunday, October 9, at Austin Grove Baptist Church, and Mr. Barwig will assume the pastoral leadership at Euto.

May these men be granted wisdom and guidance as they endeavor to serve in their respective fields.

Respectfully submitted,
Frank H. Crumpler, Chairman

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

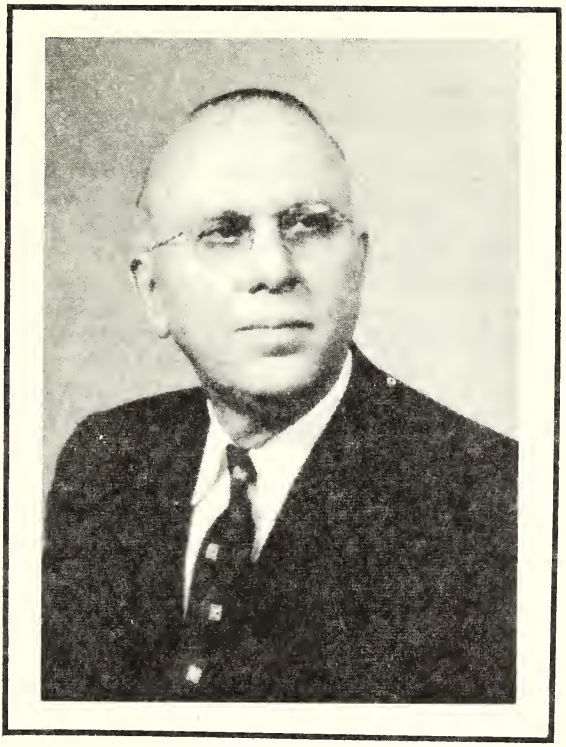
Dedication



Zeb A. Caudle - 1893-1967

Native of Anson County, North Carolina, Zebulon A. Caudle was a faithful servant of the Lord as pastor and administrator both in the local church and for the denomination for more than a half of a century. During his active pastoral ministry, he pastored eight churches in Union Association - Mt. Zion, Sandy Ridge, Mountain Springs, Ebenezer, Macedonia, Mt. Pleasant, Oak Grove, Corinth--and attended Wingate College.

During his forty-two years of dedicated service, he served 29 Baptist churches and one Baptist institution (first superintendent for the Albemarle Home for the Aging). He furnished leadership in whatever association he was privileged to work - serving many times as moderator and in numerous other capacities.

After his retirement in 1959, he continued to serve his Lord, preaching almost every Sunday and serving as interim pastor in our association and adjoining associations. His last associational office was that of Historian for Union Association. (He was a member of the Marshville Baptist Church.)

We of Union Association are the better for the dedicated service of Zeb A. Caudle.

Constitution

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

ARTICLE V - Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messngers--to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general welfare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

ARTICLE VI - Reception and Continuation of Churches Within Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least two years. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient fervor in its work.

The Mission Planning Committee will receive written quarterly reports from the church. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of the two-years of watch-care, the committee shall continue to work with the church towards its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all rights and privileges of the Association except that of voting.

In like manner churches of the Association shall be expected to continue in the spirit and practice expected of new-member churches. Those churches admitted into fellowship in the Association, and all churches composing the membership of our Association, shall be expected to practice the requirements made upon churches applying for membership, with the exception that only watch-care churches be required to submit quarterly written reports to the Missions Planning Committee. At any time a church is found by the Associational Planning Committee to be delinquent or negligent in complying with the letter and spirit of this Constitution such a church shall be placed on probation for a period of twelve months. If at the end of this period the church fails to comply with the letter and spirit of the Association's Constitution, it shall cease to be listed as a member of the Union Baptist Association.

The Associational Missions Planning Committee shall be the responsible committee for the study of a church's life for membership and application shall follow the above specified procedure for admission.

Proceedings

Morning Session, October 24, 1967

1. Vice Moderator F.E. Baucom, acting as Moderator in the absence of Frank Crumpler, who left the Association, called the Union Baptist Association to order at 9:45 a.m. on Tuesday morning, October 24, 1967, in the Hopewell Baptist Church for the One Hundred Thirteenth Annual Session.

2. The worship period began with the singing of "All Hail the Power," led by John Vann Chaney of Shiloh, with Mrs. John A. Bivens of Wingate at the piano. Watt Penegar read Matthew 16:24-28, challenging messengers to "deny self and take up the cross." He stressed that churches and all our institutions should be built around the Cross. He concluded with prayer.

3. The Moderator announced that Mrs. J.J. Griffin is serving for Mrs. R.V. Greer as clerk for this session, and he appointed Ellis L. Marks to assist in moderating this Association. It was moved that the printed program be accepted as the order of business for this session; this was seconded and so voted. A motion to dispense with roll call was seconded and carried. (Registration slips revealed a total of 407, representing all 56 churches of the Association. With visitors and college representatives the total was around 475.)

4. Seven new pastors who had come into the Association since the last annual meeting were recognized, and visitors were asked to stand.

5. Jackie Gill sang "Great Is Thy Faithfulness," accompanied by Mrs. John A. Bivens.

6. Ellis Marks, pastor of Benton Cross-Roads, introduced F.E. Baucom for the Moderator's Address. Using Psalm 11:3, "If the foundations be destroyed, what shall the righteous do?," he pointed out that the foundations of Jesus Christ, the Bible, and the resurrection are being attacked from within and without the church. "Soul erosion is leading to modern Saharas," and it is time to be alarmed.

7. S.C. Duncan called attention to the Cooperative Program report found in the Book of Reports and moved its adoption. This was seconded and carried. He then introduced Dr. W. Perry Crouch, Secretary-Treasurer of the Baptist State Convention, who pointed out that the Cooperative Program is the lifeline of our work and needs the support of all our churches. During the first half of this year, twenty-three churches in the Union Association gave nothing through the Cooperative Program. Dr. Crouch reminded us that the key to Baptists is co-operation; we work together "because we want to."

8. The Moderator recognized Arch Cree, Associational Missionary, for his report. Since this is the Week of Prayer for Associational Missions, Mr. Cree requested earnest prayer for all associational leaders. He called attention to three special events: Men and Boys Night, Nov. 6; the Deacons Schools, Nov. 27-28; and Foreign Missions Night on Dec. 6. Mr. Cree moved the adoption of the Calendar of Activities as printed in the Book of Reports, with whatever changes may become necessary, and the Report of the Associational Missionary as printed. This was seconded and carried. Mr. Cree pointed out that it took 31.8% of the resident members of each church to win one soul to Christ last year. He urged that the time has come to give our best to the Lord's work.

9. The Moderator appointed the following committees:

Place and Preacher: L.E. Bookout, Chairman
Alfred Huneycutt
Leon W. McKeithan

Resolutions: Ellis Marks, Chairman
John T. Davis
Robert Taylor

10. J.D. Tucker, pastor of the host church, welcomed the messengers and visitors, and expressed appreciation to the Mill Creek and Benton Cross-Roads churches for their help. He gave directions as to church facilities and the noon meal.

11. A motion was made to extend the time so that the preacher might have the full time allotted, and was seconded and carried.

12. John Vann Chaney led the congregation in the singing of "He Leadeth Me."

13. Scripture reading by Robert T. Byrd - Galatians 5:1-18.

14. The annual sermon, delivered by Lawrence Funderburk, was "Christ Hath Made Us Free." At the close of the sermon, Mr. Funderburk dismissed the congregation with prayer and blessed the food for the noon meal.

Afternoon Session, October 24, 1967

15. Worship for the afternoon session began with the singing of "Praise Him! Praise Him!" with John Vann Chaney leading the congregation. Lindy W. Long, pastor of Centerview, read John 3:1-5, with brief remarks on "Condemned for Misusing Supeior Opportunities." He concluded with prayer.

16. The Moderator recognized and welcomed those who were visiting from outside the Association. He appointed Eugene Walter to serve as Parliamentarian for this session.

17. ORGANIZATIONAL REPORTS: The Sunday School report as printed in the Book of Reports was moved for adoption by Reece M. Rogers, Associational Superintendent, and was duly seconded and adopted. Mr. Rogers emphasized the importance of the Director Led S.S. Enlargement Campaign in November, 1968.

18. In the absence of Training Union Director Frank Conder, Arch Cree moved the adoption of the report as printed in the Book of Reports. It was seconded and carried.

19. In the absence of J.B. Helms, Brotherhood President, Eugene Walter moved the adoption of the report as printed. The motion was seconded and adopted.

20. Mrs. Anne Brooks, Associational W.M.U. President, moved the adoption of the report as printed. It was duly seconded and adopted.

21. Following the organizational reports, Nathan C. Brooks, Jr., Director of Church Programs of our Baptist State Convention, spoke on "Ministry through Organizations." In his remarks, Mr. Brooks stressed that we must be willing to experiment and we must offer vision and dreams to our people.

22. As Evangelism Chairman, Ellis Marks called attention to the Associational Clinic on Evangelism on Nov. 21, then moved the adoption of the report as printed in the Book of Reports. It was seconded and adopted. Mr. Marks introduced Julian S. Hopkins, Director of Evangelism of our Baptist State Convention. Mr. Hopkins explained the Crusade of the Americas, a joint effort of North, Central, and South America to confront our generation with Christ. He stressed commitment and conviction that God has opened this door and we must enter.

23. Eugene Walter, chairman of the committee on Christian Education, presented the report as found in the Book of Reports and moved its adoption. The motion was seconded and so voted.

24. The Wingate College Choir led in a period of worship in song, under the direction of James O. Blackwelder.

25. Dr. Budd E. Smith, president of Wingate College, stated that there are 1568 students enrolled in this 71st year of operation. The present expansion of physical facilities on the campus includes four new buildings, at a cost of $1,300,000.

26. The Moderator presented Ben C. Fisher, who praised Dr. Smith's leadership and vision at Wingate. Dr. Fisher, Director of Christian Higher Education of the Baptist State Convention, read from Ephesians 4:12, stating that this is the goal of Christian education--to grow up and be mature individuals. He spoke briefly of the splendid work being done through our seven North Carolina Baptist colleges.

27. Wayne R. Davis, Chairman of the Constitution and By-Laws Committee, read the proposed Constitution and By-Laws as printed in the Book of Reports. Presented as information at this time, the report will be voted on tomorrow.

28. Glenn Rushing presented the following amendments to the proposed Constitution:

Article IV - Affiliated Churches, paragraph 2: "All Baptist churches not affiliated with another Association of like faith and who believe and practice the doctrine of the New Testament ..."

By-Laws - Article 23, Nominating Committee, sentence 2: "The Nominating Committee shall nominate all officers provided by the Constitution, except the Moderator and Vice Moderator which shall be elected from the floor."

These proposed amendments are to be presented in writing at tomorrow's session, and action will be taken at that time.

29. In the period of Miscellaneous Business, with Ellis Marks presiding, F.E. Baucom moved the adoption of the report of the Executive Committee as printed in the Book of Reports. This was seconded and so ordered.

Morning Session, October 25, 1967

31. The Second Day of the One Hundred Thirteenth Annual Session of the Union Baptist Association was called to order by Moderator F.E. Baucom at 9:45 a.m. on Wednesday, October 25, 1967, in the Antioch Baptist Church.

32. With John Vann Chaney leading and Mrs. Jean Williams at the piano, the congregation joined in singing "Come, Thou Almighty King." The worship period continued with devotional thoughts by Boyce Earnhardt, Sardis pastor, speaking on "Atonement." His remarks were based on Romans 12:1. He concluded with prayer.

33. SOCIAL SERVICES REPORTS: In the absence of Glenn Gaffney, the Moderator called attention to the Baptist Hospital report as printed in the Book of Reports, and a motion was made for its adoption. This was seconded and carried. Dr. W.K. McGee spoke on the work of our Baptist Hospital, reporting that our Associational offering for the hospital has shown a good increase so far this year. He mentioned some of the great strides and changes in medicine in the last twenty years, and expressed thanks for our share in this ministry.

34. L.E. Funderburk called attention to the report of the Children's Homes in the Book of Reports and moved its adoption. This was seconded and so voted. W.R. Wagoner brought greetings from our Children's Homes and reminded us that we are extremely fortunate to have the services and institutions that are ours in North Carolina. We now have five homes with 800 children. He pointed out the need for foster homes in our section of the state.

35. C.W. Teague moved the adoption of the report on our Homes for the Aging as printed in the Book of Reports. This was seconded and carried. Mr. William A. Poole, superintendent of the Homes for the Aging, could not be present, but his secretary, Mrs. S.R. Shore, spoke on behalf of this work. She announced that the fifth Baptist Home will open at Yanceyville on November 1, and Miss Fronie Perry, formerly of our county, will be one of the first residents.

36. The Moderator recognized visitors, which included two pastors formerly in this association, and Mrs. W.K. McGee.

37. Treasurer J. Howard Williams called attention to his report as printed, and explained some of the items listed, particularly the $3,500 investment at Security Bank. Mr. Williams moved the adoption of the report; it was duly seconded and adopted.

38. In presenting the report of the Finance Committee, Mr. Williams pointed out changes in this year's budget, noting that there was an increase of $1400 over last year. His motion for adoption was seconded and carried.

39. Ellis Marks presided as Moderator F.E. Baucom presented the Missions Planning Committee report. Mr. Baucom explained that the reverter clause on the lots in Helms Park runs out this year, but no action had been taken. In the ensuing discussion, L.E. Bookout asked if we could buy the property. Glenn Rushing stated that Mr. Helms would need assurance that this property would be built on. Following discussion, Mr. Baucom moved the adoption of the report as printed, and it was seconded and so voted.

40. Registration slips showed an attendance of 306 for the second day, with 53 churches represented.

41. Congregational hymn - "Take the Name of Jesus with You."

42. Oscar Long moved the adoption of the Christian Literature report as printed in the Book of Reports. The motion was seconded and so ordered. Mr. Long introduced C.W. Bazemore of the BIBLICAL RECORDER, who emphasized the importance of reading, using Paul's exhortation to Timothy to "Give attention to reading," and Rev. 1:3: "Blessed is he that readeth ..."

43. The Baptist Foundation report was submitted by Peyton Brown, who brought greetings from Foundation Director Gordon Maddrey, now able to resume work on a limited schedule following a heart attack. Mr. Brown's motion to accept the report and incorporate it into the minutes was seconded and adopted.

44. Oren Huneycutt moved the adoption of the Radio and Television report as printed in the Book of Reports. It was duly seconded and adopted. L.J. Morris spoke on our ministry through radio and television, particularly the impact of the weekly television series, "Light Unto My Path."

45. Due to the illness of Pastor C.E. Baker, Mrs. Lois Reavis, W.M.U. President of the Antioch Church, welcomed messengers and visitors and gave directions about lunch and church facilities. She expressed appreciation to the four churches who joined with the Antioch Church as hosts for the Association: Midway, Euto, Pleasant Hill, and New Hope.

46. Congregational hymn - "Trust and Obey."

47. Before the missionary speaker was introduced, there was a motion to extend the time, meeting back at 1:10. This was seconded and adopted. Missionary John Poe, of Brazil, used II Cor. 5:17, 20 as the text for his message. He challenged his hearers to combat the indifference, complacency, and busy-ness so rampant in our society. He gave testimony of the adequacy of God's power in protecting his own life from physical violence.

48. As he pronounced the benediction, Mr. Poe returned thanks for the noon meal.

49. The last session of the Association was called to order by the Moderator, and the worship period began with C.W. Teague leading the congregation in singing "Come, Thou Fount." Allen Brigman's devotional thoughts were based on John 3, and he concluded with prayer.

50. The Historian's Report was presented by John T. Davis, pastor of Sandy Ridge. (Historian Zeb A. Caudle died since the last Association.) This report was received as information.

51. Howard Cook, pastor of Mountain Springs, moved the adoption of the Annuity Report as printed; motion was seconded and so voted. Mr. Cook introduced Tom Greene, representative of the Annuity Board, who urged every church to participate in the plan.

First day of 1968 session - Monroe, First
Second day - Sandy Ridge
Sermon - C.H. Arrowood, pastor of Olive Branch
Alternate - C.E. Baker, pastor of Antioch

Motion was made by Mr. Bookout that the report be adopted; motion seconded and carried.

54. Ellis Marks, chairman of the Resolutions Committee, submitted the following report:

RESOLUTIONS COMMITTEE REPORT

"Whereas we, the Messengers to the 113th Annual Session of the Union Baptist Association, have met together on October 24 and 25, 1967, and have received much inspiration and information concerning our cooperative efforts in the work of our Lord:

THEREFORE, we express our gratitude and appreciation to:

1. Hopewell and Antioch, our host churches, and their pastors, and the other participating churches in Group III, for the use of their facilities, the fine food, and other services rendered.

2. The officers and committees of our Association who share in the responsibilities of providing for us an interesting and helpful program.

3. The ladies who served as pianists, and Mr. James Blackwelder and the Wingate College Choir for the special music.

4. Mrs. J.J. Griffin for substituting as clerk in the absence of Mrs. R.V. Greer.

5. Our Associational Missionary, Mr. Arch Cree, for the efficient service which he is rendering in working with the leadership of our Association and the individual churches.

6. Our speakers who have focused our attention upon the imperative of the Gospel as we seek to serve our Lord in this generation.

7. Our Lord Jesus Christ whose leadership and blessings through the Holy Spirit have been evident upon our work in every way."

Respectfully,
THE RESOLUTIONS COMMITTEE
Ellis L. Marks, Chairman Robert L. Taylor
John T. Davis

The motion to adopt the above resolution was seconded and carried.

55. Glenn Rushing moved the adoption of the Ordination Committee Report as printed in the Book of Reports. It was seconded and carried.

56. Mr. Rushing called attention to the Nominating Committee Report as printed in the Book of Reports and moved the adoption of the slate of officers as listed. Mr. Rushing expressed appreciation to the committee for its faithful work in securing the officers. The motion was seconded and adopted.

57. Wayne R. Davis, chairman of the Constitution and By-Laws Committee, moved the adoption of the proposed Constitution as printed in the Book of Reports, and as read in its entirety on the previous day. Motion was seconded, and discussion followed. Glenn Rushing presented the two amendments which he had read on the previous day (see No. 28 elsewhere in minutes). R.V. Greer rose to a point of order, calling for a separate vote on each amendment. The first amendment, concerning paragraph 2 of Article IV, was moved for adoption, seconded, and so ordered. A motion was made and seconded to adopt the second amendment, concerning Article 23 of the By-Laws. This was carried.

58. Discussion of the proposed Constitution included questions by J.D. Tucker, R.V. Greer, and C.H. Arrowood. C.E. Teague moved that the Constitution be tabled for one year. This was seconded. R.V. Greer suggested rewording the motion, referring it back to the committee rather than tabling it. C.W. Teague's motion and the second withdrawn.

59. R.V. Greer moved that the Constitution be referred to this same committee for another year's study, at which time the committee will bring it back to the Association for approval. This was seconded, and the standing vote carried.

60. As a matter of Miscellaneous Business, Eugene Walter presented a two-part motion: (1) that $1000 be given to Wingate College to be used for students in financial need, and that we ask the Finance Committee to seek ways of making regular contributions to this fund each year; (2) that a payment of $1500 be made on the home the Association is now buying. Motion was seconded. In the ensuing discussion, Mr. Walter agreed that the money should remain invested in Security Bank until the first of the year. Wayne Davis asked that the two parts of the motion be voted on separately.

61. Oscar Long offered a substitute motion that this $1000 be set up as an endowment at Wingate College to help needy ministerial students and mission volunteers. This was seconded and carried.

62. Mrs. John A. Bivens asked for clarification as to who will choose the recipients of this endowment. Wayne Davis moved that the funds be under the jurisdiction of the college administration. This was seconded and so voted.

63. The motion that $1500 be paid on the house was seconded. J. Howard Williams questioned the wisdom of this, since we may realize more interest on this amount as it is presently invested. Mr. Walter offered a substitute motion that the Finance Committee be asked to investigate the feasibility of this, and then take the action it deems wise. This motion was seconded and carried.

64. Mrs. Floyd Helms spoke her conviction about wanting a church on the Helms property. She hoped that the Association would be concerned enough about it to see that positive action in that direction is taken soon.

65. Floyd Helms explained the need for all churches to be contributing members of the Union County Hospital Chaplaincy Program. Mr. Helms, who is serving as chaplain at Union Memorial Hospital, pointed out that many delinquent church members could be effectively ministered to if all churches participated in the program. This was received as information.

66. Election of Officers:

Moderator:	Ellis Marks, pastor of Benton Cross-Roads elected by acclamation
Vice Moderator:	Robert Byrd, pastor of Austin Grove

67. The Moderator recognized Mrs. J.J. Griffin, acting clerk, who read the memorials as the congregation stood in memory of those who had died during the past year. A moment of silent prayer followed.

68. C.W. Teague moved that a picture of the late Zeb A. Caudle be included in the next minutes, in tribute to one who served faithfully and well, and was serving as Historian at the time of his death. Motion was seconded and so ordered.

69. The Moderator asked Ellis Marks, newly-elected Moderator, Robert Byrd, Vice Moderator, Mrs. J.J. Griffin, clerk, and R.V. Greer, historian, to join him on the platform as the 113th Annual Session of the Union Baptist Association came to a close. Ellis Marks led the closing prayer of dedication and benediction.

COOPERATIVE PROGRAM REPORT

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question -- What is the Cooperative Program? is often heard.

The answer is simple. What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad--it's preaching the gospel; it's healing in the name of Jesus through hospitals and clinics everywhere--it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go... Preach... Teach...!"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave $21,881.72 for the first six months of 1967 for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.
(2) That special emphasis be given to prayer for Cooperative Program causes during October.
(3) That each church give regularly through the Cooperative Program.
(4) That each church give in response to the special call of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

Respectfully submitted,
S.C. Duncan, D.D.S.
Acting Chairman

REPORT OF ASSOCIATIONAL MISSIONARY

"Laborers together" with our Lord, could well describe the function of Associational Missions.

Since coming to the work in the Union Baptist Association, June 1, 1967, I have been very grateful indeed to our Lord for the excellent cooperation of our Associational leadership and the fine spiritual and financial support of our churches.

God has given us so many opportunities to help through programming, planning, committees, advising pulpit committees, counseling with pastors and lay people, and assisting our churches in many ways.

Considering there are fifty-six churches with which to share, I have personally appeared in nearly three-fourths of these, rendering definite services by appointment to twenty-five (some of these on more than one occasion) and sincerely desire that each may be strengthened.

Even though the past few months have proven very fruitful indeed in the promotion of our Lord's Kingdom, He has even richer blessings in store for those who take advantage of opportunities he provides and will faithfully follow him in the work.

With a carefully planned Calendar of Activities for 1968, associational Newsletters to keep our people informed, dedicated leaders and your prayers to support and the Holy Spirit to guide and sustain us, we will continue to serve in a field that is white unto harvest. To God be the glory.

Respectfully submitted,
Arch Cree
Associational Missionary

SUNDAY SCHOOL REPORT

The Sunday School has come to the end of another associational year, with some good memories and some moments of discouragements. Yet, we are made to remember the Great Commission, Matthew 28: 19-20. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things---."

The Sunday School has placed emphasis on the "Church Growth Plan" in its work and efforts in the past year. Realizing the "Task of the Sunday School is to teach the Biblical Revelation", reaching the unreached, witnessing, and ministering daily.

There have been two Executive Committee meetings for planning, with one Conference meeting and one Mass Meeting during the year 1966-67. Action Night was held a few days late, on October 5, 1967. These meetings were very well attended with much enthusiasm on Action Night.

The Vacation Bible School Clinic was well attended with better than two hundred from the different churches. With a good program under the leadership of Mrs. Ellis Marks, Vacation Bible School Principal, most of the churches have reported having Vacation Bible School in their church. As we look forward to another year's work, we desire to see all churches conducting Vacation Bible School in their church.

We want to thank each worker for their efforts and ministry they have made in the past to promote the Sunday School work and God's Kingdom here on earth.

As we enter into a new year's work we pray that the Heavenly Father will lead and guide the efforts that there might be much accomplished for His glory.

There is still a great work to be done in the area of Sunday School work. Let us continue to place emphasis on the "Church Growth Plan" and the Adults that are in our community and church fields.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. Our goals for the year 1968 is 5%, for 1969 is 6%, for 1970 is 7%. The efforts of all Christians will be needed to reach these goals for Christ's Kingdom.

The workers alone cannot achieve this great task. The people must pray and be dedicated to God that He may work through us to give a spiritual regeneration in our Sunday School.

Respectfully submitted,
Reece M. Rogers,
Associational Sunday School Superintendent

TRAINING UNION REPORT

Training Union during the year was encouraging in some areas and discouraging in others. The new materials have not been accepted as well as we feel they should have.

Some of the meetings held were well attended; others were not. Youth night was a wonderful success with better than 125 in attendance. The tournaments were held with participation in each age group.

The association leaders helped one church with a study of the new concept manuals and the organization of Training Union at the conclusion of the study. This Union has been started with about 40 members.

I wish to thank you for the privilege of serving in the Training Union work in the past and hope I may have the opportunity in later years. Your continued cooperation will be needed with the new workers and the Calendar of Activities for the new year.

Respectfully submitted,
Frank Conder, Director

BROTHERHOOD REPORT

The Associational Brotherhood is the organization in the association which has for its purpose the assisting of our churches in their program of missionary education and missions involvement for men, young men, and boys, through promotion, training and enlargement. This program can make your church stronger if you will give it a chance. By the same token, to fail to train and involve the male population will weaken your church and its mission program, and will lessen the effective influence and wholesome Christian experience of the men.

The Brotherhood Council, officers elected by the association in session, stands ready and willing to assist all our churches in training for and promoting the program of Brotherhood within your church. This involves principally four tasks:

1. Teaching missions to all men, young men, and boys.
2. Leading all men, young men, and boys to participate in mission activities.
3. Providing organization and leadership for special projects of the church.
4. Providing and interpreting information regarding the work of the church, and the denomination.

Every church should elect, as one of its regular church officers, a Brotherhood Director who will lead out in plans for the promotion and accomplishment of these tasks. Having this officer will make it so much easier for our Brotherhood Council to help your church meet its needs in this program.

During the past year the Brotherhood Council has held its regular quarterly planning meetings. Two valuable outcomes, we hope, have been the planning for two major annual meetings-(1) the Christian Citizenship meeting to be held in the spring, involving the men of the churches; and (2) a Christian Sportsmanship Rally for both men and boys, to be held during R. A. week in November. Through the cooperative efforts of Wingate College we had a very interesting meeting with Mr. LeTourneau last May-a good portrayal of a big business operated on a thoroughly Christian basis. Our first Christian Sportsmanship meeting will be held on Nov. 6th, during R. A. week, at Wingate College Auditorium with Mr. Ned Jarrett, a former auto racing driver, as speaker. One of the best Brotherhood Workshops was held at Wingate Baptist Church during November, 1966. Numerous letters have been written and visits made to churches by our Brotherhood officers. At least four of our churches have started meetings of Baptist Men during the past associational year.

Pray that we may more fully reach all the churches of our association, thus affording a rich blessing to the men, young men, and boys and, in turn, helping them to become a blessing within the church and its mission program.

Respectfully submitted,
J.B. Helms, Brotherhood Director

WOMAN'S MISSIONARY UNION REPORT

This year as WMU has attempted to assist our churches in their five-year plan of "A Church Fulfilling Its Mission," we have emphasized "Education." Our watchword has been, "But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ" (2 Peter 3:18), and our hymn has been, "O Master, Let Me Walk with Thee."

Four Associational Y. W. A. meetings were held during the year. The Girl's Auxiliary Rally was held at West Monroe Church with an overflow house. The Sunbeam Bands held their Day Camp at Shiloh with 50 in attendance.

The WMU Annual Sessions convened in the Marshville Church on April 13 with 220 in attendance. The co-hostesses were Austin's Grove, Bethel, Fairfield, Hamilton's

Cross Roads, Lane's Creek, Olive Branch, and Union Grove. Our Missionary Message was brought by Mrs. W.T. Roberson, Missionary to South Vietnam.

Our WMU scholarships, of $100 each, to attend Wingate College were given to Miss Susan Hallman and Miss Barbara Stegall.

Executive Board meetings were held each quarter, one being in the form of a Prayer Retreat at the Rushing Cottage near Marshville. This meeting held deep spiritual value for each one present.

WMU leaders attended a workshop at Campbell College, and then held a Leadership Conference at Monroe First. Also a 7 1/2 hour Leadership Course was held for women and one for youth in October.

As the new year begins, all our members are bracing themselves to become personally involved in "Mission Action" here in our Association as well as giving generously to promote missions around the world, again co-operating with our churches in their emphasis on "Ministry." Our watchword will be, "Inasmuch as ye have done it unto one of the least of these... ye have done it unto me." Matt. 25:40.

EVANGELISM REPORT

This past year the churches of our association baptized 368 persons. This represents a ratio of one baptism for every 32.9 resident members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the "Crusade of the Americas." This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-1969 and 1970. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August, 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August, 1968

NATION-WIDE VISITATION WITNESSING: September-November, 1968

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 Evangelism Plan Book already available to us and in the 1968-69 Evangelism Plan Book which will be available after July of 1968 from the Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina 27603.

Respectfully submitted,
Ellis L. Marks, Chairman

CHRISTIAN EDUCATION REPORT

As of October 1, 1966, there were enrolled in the North Carolina Baptist colleges 11,347 students.

The Baptist colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of church vocational workers. There is some concern throughout our Convention about the decline in the number of young people answering the call to full-time Christian Service. The Christian colleges are currently seeking ways of cooperating more fully with local churches in an effort to reverse this trend. However, the Christian college is not solely in the business of training full-time Christian workers, for the vast majority of students attending a Baptist college will return to their communities as laymen. These return to their communities not only to assume responsibilities in the local church, but to bear a Christian witness through their professions where they work.

The Baptist colleges in North Carolina continue to be grateful to the Co-operative Program and its vital financial support. For the year 1967, $1,578,960 has been budgeted.

Two excellent Christian laymen have been elected to head Campbell College and Wake Forest University. They are Dr. Norman A. Wiggins at Campbell College and Dr. Ralph Scales at Wake Forest University.

The colleges are grateful for the unusual response this year in orders for Christian Education Day materials. In 1966 the offering was $132,046 and we are in hopes that there will be an increase this year.

The colleges have cooperated fully in the recent Convention-wide study of Christian higher education sponsored by the Education Commission and the Executive Committee of the Southern Baptist Convention. The results of this study, dealing with nine major areas of concern, will be published before the first of the year.

Respectfully submitted,
L. Eugene Walter
Chairman

PROPOSED CONSTITUTION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of our Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by the unanimous consent of the messengers present, provided they comply with Article IX of this constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles:

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Training Union Director, Sunday School Superintendent, Brotherhood Director, Music Director, and other such officers that the Association deems necessary in the continuation of its work.

The term of Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years.

The total program of the Association shall be under the leadership of the person holding the office of Associational Missionary. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Associational Missionary shall be the responsibility of the Associational Council.

ARTICLE VI - Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Associational Missionary, Sunday School Superintendent, Training Union Director, Brotherhood Director, Woman's Missionary Union President, Music Director, all employed Ministers of Education, Ministers of Music and Associate Pastors, together with the pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at

BAPTIST HOSPITAL REPORT

OUR BAPTIST MEDICAL CENTER: THE NEW DAY IN MEDICINE

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as dramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the very fine medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. There are new means of diagnosing our ills, such as the brain scan and the use of sound waves. New drugs are being developed almost daily for combatting disease, including antibiotics and new chemicals. There are new techniques in treating our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone - it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need - and even hear a "Well Done," for "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Glen S. Gaffney, Chm.

BAPTIST CHILDREN'S HOMES

No task is more important than helping a child grow into healthy, well adjusted, responsible citizenship. Helping children and young people grow and develop toward Christian maturity is one of the greatest privileges in life, the Children's Homes seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God-given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of thirty-three cottages on five campuses provide group care of different kinds. There are 2 residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. Th.s fall for the first time, a single cottage at Wallburg is being opened for the Rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of foster homes. Many are finding happiness and opportunity for service in caring for foster children. Thus many boys and girls are privileged to grow up in foster homes.

Should you have an "Extra Measure of Love" to share in this way the homes would like to know of your interest.

In June of 1967 the first of the new "family-living" cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. A similar cottage is already under construction at Mills Home and two buildings of this kind at Kennedy Home campus.

The child development center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. The center in 1967-68 will serve seventy children and their families in 2 kindergarten groups and nursery school groups, with about 35 children in full day care.

This is a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

L. E. Funderburk, Chm.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

"Cast me not off in the time of old age; forsake me not when my strength faileth." Psalm 71:9.

Our North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of our Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albermarle, the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents-the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

All of those who are connected with the North Carolina Baptist Homes for the Aging wish to thank the 31 churches in the Union Association that contributed $1,464.71 in the special day offering for 1967. We hope each church will participate in this offering next year in order to help minister to the Aging in Christ's Name. They can operate better with our love, our prayers, concern and our financial support.

C. W. Teague, Chairman

CHRISTIAN LITERATURE REPORT

Today newsstands in most towns and cities groan under the burden of every conceivable type of magazine and paper-backs; many of these are obscene and girlie

publications unfit to be read by anyone, but literally, they are being eaten up by our youth and a surprisingly large number of adults.

Many are asking, what can be done about this trash on our newsstands? Baptists have long been trying to do something about it by offering us good wholesome Christian literature for the various members of our families as well as the family magazine, HOME LIFE. Pastors, youth workers, teachers and parents need to acquaint themselves with this literature in order that it may be put into the hands of our youth and parents as well to replace that that is now being read.

Mrs. Long and I have been giving as graduation gifts books such as THE PEARL OF GREAT PRICE and THE GREATEST THING IN THE WORLD and have been abundantly rewarded by the letters from these youth and their parents stating how they had been blessed thereby.

Our Sunday School Board, 127 Ninth Avenue, North, Nashville, Tenn. 37203, will be glad to furnish you with information on all this literature if you will write them. Several of these publications should be furnished by the church to its members and families. Too, there are our Mission Boards periodicals, The HOME MISSIONS and the COMMISSION. However, there is another that should be in every Baptist home in North Carolina: The BIBLICAL RECORDER, our Baptist state paper. The BIBLICAL RECORDER should be subscribed for by the churches on the Church Budget Plan at only $2.00 per family. (Budget rates for HOME MISSIONS, 60 cents and for COMMISSION, 96 cents.) Too much cannot be said for the RECORDER and its need to be read by every church member. It keeps us informed about the work in the churches throughout the state, and abreast with the work of our Conventions, both state and southwide. The Charlotte Observer credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill during the past year. We will need the RECORDER again next year to keep us informed of this same moral issue before our General Assembly, Raleigh. The RECORDER carries both Sunday School Lessons--the Uniform Lessons and the Life and Work Curriculum Lessons and is used by many Sunday School teachers in preparation to teach.

The weekly ministry of the RECORDER reaches 89,000 homes. We recommend that it be placed in every Church budget and sent into every Baptist home in North Carolina.

Respectfully submitted,
Oscar S. Long, Chm.

BAPTIST FOUNDATION REPORT FOR 1967

In the absence of our very efficient Executive Secretary of the Baptist Foundation of North Carolina, we shall attempt to provide a brief report for such use as may be necessary for the Associational Meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I.G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large

standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on both the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

RADIO AND TELEVISION REPORT

"A Light Unto My Path" is a continuing series of weekly television programs designed to meet the spiritual needs of the deaf, elderly, and unchurched.

The purpose of the program is to present Jesus Christ as the Saviour of mankind and the Bible as God's Holy Word. This purpose is declared through music and Bible lessons by the missionaries to the deaf. All hymns, as well as the Bible lessons are presented in sign language and voice.

A radio series, BREAD OF LIFE, seeks to minister to the aging, the unchurched and those providentially hindered from regular worship. Stimulating and related hymns provide the setting for the program. The Bible lesson presents the claims of Christ in an attractive persuasive and non-denominational manner.

The dedication and commitment of each member of the casts places them along side other missionaries of the Word. Included in the casts are: Mrs. Art Fore, Mrs. A.J. Sutter, Sylvia Grubbs and Jimmy Ringgold, musicians; Jerry Potter and Neal Peyton, Missionaries to the deaf; and Mrs. John Stokes, interpreter for the deaf. Jimmy Morris serves as host, Bible reader and producer.

The programs are produced and sponsored on a sustaining basis by the Baptist State Convention of North Carolina. They are also made available through a cooperative plan to other Baptist Conventions, Associations, churches and stations in other states. The only reference to the denomination is that made in the concluding sign-off. This series is supported solely by the denomination or the sponsoring group as a part of the mission of the church through the Cooperative Program. Viewers are requested NOT to forward an offering but rather to present that offering through the church of their choice. Offerings which are received are returned to the viewer with a sincere note of thanks. This policy has been strictly adhered to since the program was conceived as being a vital part of the ministry of the church rather than an independent presentation. Viewers are urged to counsel with a minister in their community and to unite with a church of their choice.

We express our deep appreciation to WRAL-TV, Raleigh, not only for their interest, encouragement, and faith in this venture, but for the tremendous financial outlay made continually available for the production of these programs. We express our appreciation to each of the seventeen stations in our ever-growing network who, like WRAL-TV, have become partners with Christ in carrying the Gospel into a world of silence, loneliness and despair.

A unique example of the ministry of LIGHT UNTO MY FAITH is the plan of establishing classes for the deaf as a part of the total ministry of the church. For these classes, a television set is provided and the TV station literally becomes the teacher for the class. Stations currently carrying this program include WRAL-TV, Raleigh; WSB, Atlanta, Georgia; WLOS, Asheville, WFMY, Greensboro, WBT, Charlotte and WNCT, Greenville, in North Carolina; WIS, Columbia, South Carolina; WRVA, Richmond, WSLS, Roanoke, WAVY, Norfolk and WCYB, Bristol in Virginia; WBIR, Knoxville,

Tennessee; KMID, Midland, Texas; WJRT, Flint, Michigan and WBRC, Birmingham, WALA, Mobile and WKAB, Montgomery in Alabama.

ANNUITY BOARD

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new Program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in Plan "A."

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C."

Information on the new Protection Program may be obtained from the Annuity Secretary in our state or from the Development Division, Annuity Board of the Southern Baptist Convention, 511 North Akard Building, Dallas, Texas 75201.

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. This year each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes an excess in interest earnings.

In 1966, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

The cost of living continues to climb. A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as minimum.

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

In many churches more than one person is in the Program. Each person is counted separately as in his church. As a result, the total number of churches is higher. Next year, the total number of churches is expected to be less. The reason is the Board is putting all its records on computer which will group together all members in one church. For example, if a church has two members, it will be counted as one church instead of two as is presently being done.

There are 137 of the 176 agencies in the state conventions and the Southern Baptist Convention which have Protection Programs with the Board. A total of 8,121 persons are protected in the agency programs.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

GOOD GOVERNMENT REPORT

As we scan the newspapers and listen to the newscasts we immediately realize that the people of the world are definitely drifting away from the Lord and His teachings. These heartbreaking reports should bring every Christian to his knees where he will "wait on the Lord:---and He shall strengthen thine heart: wait, I say, on the Lord" (Psalm 27:14).

The problems on the national, state, and local level all result from the fact that we as individuals have not waited upon the Lord for instructions. Most of us have become servants of the political parties instead of making the parties servants of the people. We have followed the party of our parents and have forgotten to "wait on the Lord" for instructions as we go to the polls. Since we have left the Lord and His will out of our personal lives we have aided Satan in putting his men in places of leadership in our government.

As we look at many of those whom we have elected we must admit that the Word of the Lord as was spoken by the prophet Isaiah to Judah and Jerusalem is true today. Isaiah 1:23, "Thy princes are rebellious, and companions of thieves: every one loveth gifts, and followeth after rewards."

The solution to the problem of corruption in government lies in the hands of the Christian people. When we begin fulfilling our responsibility of being witnesses for Christ we will have Christian men to fill the many offices of government. Then we should follow the instructions of Joseph to Pharaoh and "look out a man discreet and wise, and set him over the land" (Genesis 41:33). This can only be done as we "wait on the Lord" in prayer before we go to the polls.

But good government does not end at the polls. That is where it begins. We must follow the advice that the Apostle Paul gave to Timothy when he said, "I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority" (I Tim. 2:1, 2a). When we have followed the leadership of the Holy Spirit to this point we can "submit" ourselves "to every ordinance of man for the Lord's sake: whether it be to the king, as supreme; or unto governors, as unto them that are sent by him" (I Peter 2:13, 14) and not be ashamed of the laws or of the government which makes and enforces these laws.

I challenge you to spend more time "waiting on the Lord," and we will spend less time waiting on our country to have a good government.

Respectfully submitted,
Robert T. Byrd, Chairman

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

Constitution

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of our Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by the unanimous consent of the messengers present, provided they comply with Article IX of this constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years; that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Training Union Director, Sunday School Superintendent, Brotherhood Director, Music Director, and other such officers that the Association deems necessary in the continuation of its work.

The term of Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years.

The total program of the Association shall be under the leadership of the person holding the office of Associational Missionary. His selection shall be upon the

recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Associational Missionary shall be the responsibility of the Associational Council.

ARTICLE VI - Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Associational Missionary, Sunday School Superintendent, Training Union Director, Brotherhood Director, Woman's Missionary Union President, Music Director, all employed Ministers of Education, Ministers of Music and Associate Pastors, together with the pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occuring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII - Associational Council

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Training Union Director, Sunday School Superintendent, Woman's Missionary Union President, Brotherhood Director, Music Director, Chairman of the Fiance, Evangelism, and New Church Committee, and two laymen from the Executive Committee.

The Vice-Moderator shall be chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the work of the Associational Missionary and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII - Trustees

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX - New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant; and at such a time as it deems proper, shall make a recommendation to the Association concerning the applicant.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall with the approval of the Executive Committee, recommend to the Association the purchase of such lands as are desirable for the future development of missions and/or churches, and shall recommend the organization of such missions and/or churches at such a time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X - Procedure

The business of the Association shall be conducted according to Robert's Rules of Order, where not otherwise provided by this Constitution or the By-Laws.

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and By-Laws for clarification and correlation.

Proceedings

Morning Session, October 29, 1968

1. Moderator Ellis L. Marks called the Union Baptist Association to order at 9:30 a.m. on Tuesday morning, October 29, 1968, in the First Baptist Church, Monroe, for the One Hundred Fourteenth Annual Session.

2. The worship period began with the singing of "Blessed Assurance, Jesus Is Mine," with James Reich at the organ. Floyd Helms, Sr. read Matthew 16:13-20 and led in prayer.

3. L.E. Bookout moved that the program as printed, with necessary changes, be the order of the day; this was seconded and so ordered. New pastors who had come into the Association since the last annual meeting were recognized, along with other visitors.

4. Vice-Moderator Robert Byrd recognized Ellis Marks for the Moderator's Address. Emphasizing the theme for the year, "Witnessing through Missions and Evangelism," Mr. Marks stressed the missionary zeal of Paul. His was both an outward and an inward experience -- a belief that God is in Christ revealing himself to the world. Christ was not only revealed TO him, but also revealed IN him. Great witnessing comes from great belief and great experience.

5. Social Services reports - Leon W. McKeithan moved the adoption of the Baptist Hospital, Children's Homes, Homes for Aging, and Prison Ministry reports as printed in the Book of Reports. This was seconded and so ordered.

6. Congregational hymn - "I Gave My Life for Thee."

7. Organization reports - Arch Cree moved the adoption of the Sunday School, Training Union, W.M.U., Brotherhood, Missions Planning Committee, and Associational Missions reports as printed in the Book of Reports. This was seconded and carried. He also moved the adoption of the Calendar of Activities, as printed, with any necessary changes; this was seconded and so voted. Mr. Cree stressed "M" Night, Foreign Missions Family Night (at three locations), and the Crusade Revival preceding the Crusade of the Americas.

8. Dr. Henry E. Walden, superintendent of missions for the Robeson Association, spoke on "Witnessing through Associational Missions." The Association exists, not for itself, but to serve the churches, and to help them do together what they could not do separately. The Associational Missionary strives to hold up the hands of the pastors and to work closely with all departments of work.

9. Leon McKeithan introduced Dr. George W. Bowman, Baptist Hospital representative, who pointed out the spiritual outreach of the hospital. More than 1,200 chaplains have graduated from Baptist Hospital; since 42% of people in trouble go first to their minister, the importance of this hospital service should not be minimized. "It is one thing to KNOW the love of God, and another thing to BE the love of God." He stated that the hospital has operated at a deficit for the last three or four years, and financial help from Baptists is needed.

10. Announcements - The Moderator expressed appreciation to Dr. S.C. Duncan for the flowers in the sanctuary; he announced that Dr. C.C. Warren is serving as Parliamentarian for the session. Two committees were announced:

Place and Preacher: Cecil Broome, Chairman
L. E. Bookout
R.J. Roberts

Resolutions: Brady L. Connell, Chairman
E.J. Huneycutt
James Hartis

Joe Larrimore, pastor of the host church, welcomed the group and gave instructions about lunch and church facilities.

11. Hymn - "From Ocean Unto Ocean."

12. The annual sermon, preached by C.H. Arrowood, pastor of Olive Branch Baptist Church, compared Jonah with the modern-day Christian. The world is full of "Ninevehs" today; we often try to "pay our fare" and not get involved personally. God's message to us is: Do we really want the world to repent? If so, then why not carry the message? At the conclusion of his sermon, Mr. Arrowood led the closing prayer and returned thanks for the noon meal.

Afternoon Session, October 29, 1968

13. With Vice-Moderator Robert Byrd presiding, worship for the afternoon session opened with the singing of "The Kingdom Is Coming," with L.E. Bookout leading.

14. Alfred Huneycutt read from John 1 and led in prayer.

15. Leonard Horne moved the adoption of the Evangelism report and the Interracial Cooperation report, as found in the Book of Reports. This was seconded and so voted. Dr. John F. Havlik, representative of the Home Mission Board, spoke on "Witnessing through Evangelism." The Crusade of the Americas can be the opportunity to reclaim the "holy madness" of first century Christians. "You cannot program revival and renewal, but you can program the things that bring revival: prayer, Bible reading, meditation, and personal witnessing." His message was an impassioned plea to see man's lost condition in the light of eternity.

16. Congregational hymn - "Onward, Christian Soldiers."

17. In the absence of Eugene Walter, Arch Cree moved the adoption of the Christian Education report, as printed in the Book of Reports. This was seconded and carried, and Mr. Cree introduced Dr. Eugene Poston, president of Gardner-Webb College. The Gardner-Webb Ensemble, directed by Jerry Hill, presented several lovely selections before Dr. Poston's address. He discussed the three areas of home, church, and school as vital areas of Christian education. He stated that the problem of Christian education is not financial, but spiritual.

18. Brice Baucom moved the adoption of the Trustees Report as printed in the Book of Reports. This was seconded and so voted.

19. Cecil Broome presented the report of the Place and Preacher Committee: Group V churches will entertain next year's session, with West Monroe as host church on the first day and Oak Grove, on the second. Dr. C.C. Warren will preach the annual sermon, with Leonard Horne as alternate. The motion to adopt this report was seconded and so ordered.

20. Wayne R. Davis presented the report of the Constitution and By-Laws Committee, reading the recommended changes in Articles 20 and 23 from the proposed Constitution of last year. This was received as information, with vote to be taken on second day. Leon W. McKeithan presented an amendment: "All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years; that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only." Wayne R. Davis presented an amendment, to be added following the second sentence in paragraph four of Article IV: "Churches failing to

make contributions through the Cooperative Program during the year shall not be eligible for membership in the Association." Both amendments will be presented and voted upon on the second day.

21. Miscellaneous Business - Wayne Davis asked the Association to approve a request for aid for Branson Dunn, ministerial student at Furman University from the Marshville Church, from the S.C. Baptist Convention. This was seconded and adopted. Arch Cree moved that the Association request a 10% reduction in aid from the Baptist State Convention. This was seconded and so ordered. John Kanipe, director of development of Meredith College, spoke briefly.

22. N.S. Joyner led the closing prayer.

Morning Session, October 30, 1968

23. The second day of the One Hundred Fourteenth Annual Session of the Union Baptist Association convened at 9:30 a.m. on Wednesday, October 30, 1968, in the Sandy Ridge Baptist Church.

24. Following the singing of "There Shall Be Showers of Blessing," Earl Sossamon brought devotional thoughts and led the opening prayer.

25. John Davis moved the adoption of the Cooperative Program report; motion was seconded. Dr. C.C. Warren spoke to the report, calling for greater dedication, greater awareness of the purpose of giving, greater adherence to scriptural giving, and greater emphasis on a Spirit-directed program of giving. "If we love, there must be an outlet." Motion to adopt report as printed in the Book of Reports was adopted.

26. Mrs. John G. Hargett, Jr. moved the adoption of the Treasurer's Report as printed; seconded; so ordered.

27. Roy Yow moved the adoption of the Finance Committee report as printed in the Book of Reports. This was seconded and so ordered.

28. Congregation Hymn - "I Surrender All."

29. Robert T. Byrd called attention to the Christian Literature, Baptist Foundation, and Radio-Television reports as printed. He moved their adoption; motion seconded. Mr. Byrd introduced L.J. Morriss who spoke to the report on the topic "Witnessing through Radio and Television." Mr. Morriss mentioned the programs JOT and MASTER CONTROL, which reach millions of people. The hearing audience prefers LIGHT UNTO MY PATH (our program for the deaf) to regular televised church services. Our methods change; our message does not. He told of a new series, using Bible reading, followed by an invitation to read and study the Bible. The motion to adopt the reports as printed was carried.

30. C.W. Bazemore brought greetings from the BIBLICAL RECORDER staff, pointing out that 1,460 people in Union County, plus pastors, get the RECORDER. There has been a 42% growth in circulation during the past eight years.

31. Congregational Hymn - "Must Jesus Bear the Cross Alone?"

32. Announcements - Arch Cree expressed appreciation for the work of the Moderator and Vice-Moderator, nothing that Ellis Marks is leaving the Association (moving tomorrow) to accept the call of Pleasant Plains Church near Kershaw, S.C. Mr. Cree stressed the S.S. Enlargement Campaign November 3-8. John Davis, pastor of the host church, gave directions concerning the noon meal and church facilities. Flowers were placed in the sanctuary by Mrs. Warren Starnes and Mrs. Ronald Price. The registration for the first day was 296 messengers and 73 visitors, making a total present of 369. The second day's attendance was 228 messengers and 65 visitors, making a total present of 293. Fifty-five churches were represented at the first day's session.

33. Judson Lennon, missionary to Bangkok, Thailand, brought the missionary message, reading from Matthew 28 and Romans 10. Our three-fold commission is to look, to pray, and to go. Do we look with indifference, or curiosity, or pride, of disgust?

Do we really believe the world is lost? He spoke of the evangelistic fervor now in Indonesia, pointing toward the Crusade of Asia in 1970. Thailand is a strong Buddhist country, and the Thais believe that every American is a Christian. He expressed appreciation for dedicated laymen in churches of America. He concluded with prayer and returned thanks for the noonday meal.

Afternoon Session, October 30, 1968

34. The last session of the Association was called to order by Vice-Moderator Robert Byrd. The congregation joined in singing "Praise Him! Praise Him!" John Steverson conducted the devotional period, reading John 6:67-68, and led in prayer.

35. Leonard Horne, in the absence of C.W. Teague, moved the adoption of the reports on Ordination, Annuity, and Good Government. Motion seconded. Guy Cain spoke to the reports, on "Witnessing through Minister's Retirement." He pointed out that only 25 out of 56 churches in our association are in the annuity plan. Motion to accept the reports was carried.

36. Business and reports - Horace Barefoot, representing the Children's Homes, spoke briefly. More than 1,300 children were helped last year.

37. L.E. Bookout moved that the Executive Committee Report be adopted as printed. Seconded, and so ordered.

38. Wayne R. Davis moved adoption of the proposed Constitution. Seconded. Leon McKeithan read the amendment presented on the previous day (Item 20 of Proceedings). Discussion followed. Those speaking in favor of the amendment were: Leonard Horne, Glenn Gaffney, Robert Taylor, Roy Yow, and L.E. Bookout. Those expressing opposition were: Wayne Davis, Gene Walter, Joe Larrimore, and R.V. Greer. The question was called for, and the vote carried to end debate. The amendment vote carried, said amendment to be inserted in Article IV, after second paragraph.

39. Wayne Davis withdrew his proposed amendment.

40. Following discussion by John Davis, the vote to adopt the proposed Constitution as amended was carried.

41. Historian R.V. Greer moved the adoption of the Historian's Report, with whatever additions the clerk might be requested to make. Seconded, and so ordered.

42. L.E. Bookout moved the adoption of the Nominating Committee report, with whatever additions may be necessary. Motion seconded, and officers elected.

Vice-Moderator: J. Howard Williams

46. The Moderator asked J. Howard Williams, Vice-Moderator, Mrs. J.J. Griffin, clerk, and John A. Bivens, historian, to join him at the front as the 114th Annual Session of the Union Baptist Association came to a close. J. Howard Williams led the closing prayer.

Respectfully submitted,

COOPERATIVE PROGRAM

Our day is a decisive day in which the sincerity of all our talk about missions is being challenged. The world is bluntly saying to us, "Baptists, put your money where your mouth is."

God has given us adequate resources to do what He has called us to do. We have the gospel of salvation in Jesus Christ, the man-power, the money, and the empowering of the Holy Spirit. Our faithfulness as stewards will determine the extent of our world mission conquest, which is the heartbeat of Bible-loving, Christ-honoring Baptists.

The Cooperative Program is to the Southern Baptist Convention what the budget is to the local church. It is support for all missionary causes at home and abroad. It is the lifeline of all our ministering, a broad base for the support of every phase of our work. With it we have accomplished much for the Kingdom of God. Without it we wonder what we might have done.

As our people worship with tithes and offerings every Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go... preach... teach...!"

Let us pray earnestly for all Kingdom work through the Cooperative Program and give sacrifically of self and substance.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the deacons, prayer by every church member, and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available, churches in Union Association gave $23,791.21 for the first six months of 1968 for World Missions through the Cooperative Program. This shows an increase of $1,909.49 over the same period on 1967.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That each church have prayer for Cooperative Program causes during each church service in October.

(3) That each church give regularly a worthy percentage of the offering plate dollar through the Cooperative Program.

Respectfully submitted,
John T. Davis, Chairman

SUNDAY SCHOOL REPORT

As we attempt to bring the annual report of the Sunday School work done in our association the past year, we are mindful of those who invested time, energy, means, and personality to their task that the Sunday School program might go forward.

We are happy to say that wonderful work has been rendered by every member of the associational Sunday School staff.

Two planning meetings were held during the year.

A one night Leadership Clinic was held in Marshville Baptist Church January 18, 1968, with 81 present. State Convention workers led in each age group conference.

The Vacation Bible School Clinic was held in the Wingate Baptist Church this year with 239 attending and 42 churches represented. The clinic was led by Mrs. Ellis Marks, Vacation Bible School Superintendent.

Action night was held with Benton's Cross Roads Baptist Church with 124 attending. (September 17, 1968). Conferences were led by associational age group leaders. The Rev. Stanley Howard and Happy Danny brought the inspirational message which was very interesting and inspiring.

We are thankful for everyone who helped make this program possible; but we give God the praise for it all; without Him we can do nothing.

It is our prayer that we shall look out around us and see the work to be done. Then find our places in the Service of our Lord and in the Sunday Schools that the word might be taught to all people and that God's will might be accomplished.

Respectfully submitted,
Reece Rogers
Sunday School Superintendent

REPORT ON TRAINING UNION

During this year, we have tried to help our churches who have Training Programs get better acquainted with materials and how to use them with their group. In February a clinic was held with state workers in each department. Attendance and reactions to this program were very encouraging. I feel we all should put forth more time and effort to take advantage of opportunities provided for our work. We will be having another clinic in February of 1969. Make your plans now as leaders to attend the clinic.

Youth Night was held April 6, 1968, at Mill Creek Baptist Church. The response to this program was the best we have had in several years. We are encouraged to see our youth taking an active part in church life. May we provide for and encourage more participation in our local church work by our youth, the leaders of tomorrow.

We had participants in junior, intermediate and adult tournaments in associational and regional with a junior winner in the state tournament. May we encourage our people to begin now on this work so that we may have more competition and that we may know more of God's Holy Word.

Not many of our people attended training assemblies provided by the Southern or North Carolina Baptist Conventions. These are training programs arranged by workers who spend all of their time in this field, who know what, when, where, and how to do the work. They know the materials and what is needed by different groups. Churches invest in leaders for church training by providing some financial support for attendance at these assemblies. It will pay off.

Thanks to each and every member of the staff, our field worker and those who have helped carry on the work in the association. This group is willing to help any church who has a program going or a church who is interested in starting work. We would like to hear from you if we can be of service. One new organization was started this year. This still leaves a large number of our churches without training programs. May God bless each one as we labor in His vineyard together. II Timothy 2:15. "Study to shew thyself approved unto God, a workmen that needeth not to be ashamed, rightly dividing the word of truth."

Respectfully submitted,
Mrs. Joe H. Griffin, Director

WOMAN'S MISSIONARY UNION REPORT

As the Southern Baptist Convention approaches the climax of its efforts to assist in the Crusade of the Americas, Woman's Missionary Union feels increasingly its responsibility for helping the church fulfill its mission of spreading the good

news of Christ's redemptive power.

This past year, more than ever, we have emphasized our WMU tasks of teaching missions, leading persons to participate in missions, and providing organization and leadership for special missions projects of the church.

WMU is now in the process of making many adjustments for our changing times, and to better accomplish our tasks, at our recent Leadership Courses more than 235 of our leaders were in attendance, and were most enthusiastic about our new plans. At the opening session Mrs. W.E. Allen, retired missionary to Brazil, gave an inspiring talk on the Crusade of the Americas, emphasizing PACT and the power of prayer.

Our Annual Sessions were held April 11 in Wingate Church with an excellent attendance. The co-hostess churches were Centerview, Faulks, Mt. Moriah, Mt. Olive, Mountain Springs, Philadelphia and Union. Our speaker was Mrs. John Gilreath of Charlotte, member of the State WMU Executive Board.

Our WMU Council met each quarter. An associational wide prayer retreat was held in June, and in September our leaders attended a workshop at Black Mountain. We also had great representation at the State Annual Session of WMU and at WMU week at Ridgecrest.

Our past president, Mrs. J. Howard Williams, was honored by appointment to the State WMU Executive Board for a three year term.

One of the highlights of the year was our participation, along with the men of the churches, in the Associational gathering during the Week of Prayer for Foreign Missions and the Lottie Moon Christmas offering when Mr. and Mrs. Henry Stough conducted a study of our mission work in Africa. The over-flow congregation in First Church, Monroe, was delighted with the message and the fellowship of a family night.

WMU had a good increase in membership this year, but looks forward to a better-than-ever new year with our new program's being accepted with much enthusiasm and faith that we shall accomplish more for our Master's Kingdom.

Respectfully submitted,
Mrs. Anne A. Brooks, President

REPORT ON BROTHERHOOD

During the past year the Brotherhood Council held its regular planning meetings. Members of the council spoke in several churches in an effort to further promote the Brotherhood program.

Last November our Christian Sportsmanship Rally, held at Wingate College during RA week, was well attended by both men and boys.

Our first Christian Citizenship meeting was held at Wingate Baptist Church with Judge David Britt of Raleigh as speaker. A wonderfully informative and inspiring message was delivered to an unusually small audience. Church participation in this meeting was extremely disappointing.

One of our best meetings of the year was our workshop held in the spring. We were fortunate to have workers from the State Department lead our discussions, and more than forty men from 13 churches participated.

The Brotherhood officers, elected by the association in session, stand ready and willing to assist all our churches in training for and promoting the program of Brotherhood within your church. This involves: (1) Teaching missions to all men, young men, and boys. (2) Leading all men, young men, and boys to participate in mission activities. (3) Providing organization and leadership for special projects

of the church. (4) Providing and interpreting information regarding the work of the church, and the denomination.

Please call on us.

Respectfully submitted,
J.B. Helms
Brotherhood Director

Mrs. Jack J. Griffin

Boyce Earnhardt - B.L. Connell - Arch Cree

ASSOCIATIONAL MISSIONARY

Laborers together with our Lord, could well describe the functions of Associational Missions.

God has given us so many opportunities to help through programming, planning committees, advising pulpit committees, counseling with pastors and lay people and assisting our churches individually in many ways.

With a carefully planned Calendar of Activities, associational Newsletters to keep our people informed, dedicated leaders and your prayerful support, and the Holy Spirit to guide and sustain, we believe our churches and people are inspired to seek higher levels of service with our Lord.

Even though we may feel we are engaging in an effective and successful associational missions program, nevertheless let us not be satisfied nor overconfident concerning the past, but rather forgetting those things which are behind, except as we shall profit by experiences, and reaching forth toward those which are before, let us press toward the mark for the prize of the high calling of God in Chirst Jesus.

I challenge you, my brother and sister in Christ, to share with one another throughout the coming year, those services and experiences which build stronger Christians and churches through an effective Associational Missions program.

Respectfully submitted,
Arch Cree

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Cooperative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever - now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

Howard Cook, Chairman

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new schools.

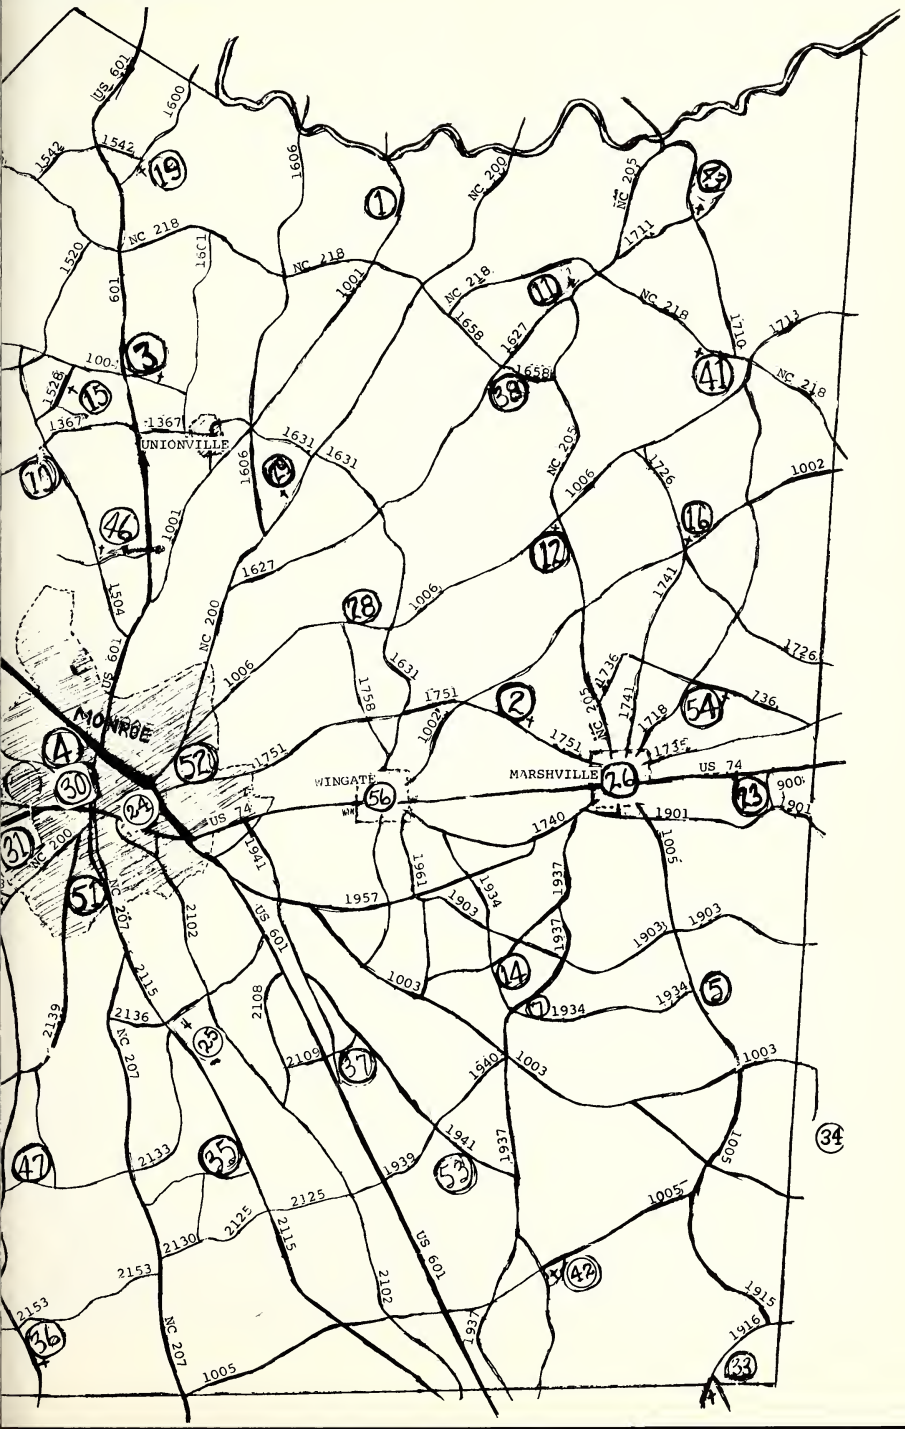
UNION

ASSOCIATION



The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarge space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

HOMES FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the

residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase.

PRISON MINISTRY REPORT

This year a door to greater service for our Lord and to the prisoners of our area is beginning to open for Union County Baptists.

In response to the challenge our pastor's conference, with the blessings of the Executive Committee, has elected Mr. Kenneth Wellmon to oversee our infant prison ministry at the Union County Prison Camp. And a standing committee "to see that the prison ministry is perpetuated and perpetuated properly" has been appointed.

Every church in our association will be given an opportunity to share the cost of building a chapel for the prisoners this church year.

Our ministry to prisoners will include a regular Saturday afternoon worship service, Sunday School, Sunday morning worship, Week-end revivals, and a follow-up ministry for prisoners who are released into our area from our local unit and from others.

We thank God for allowing us to demonstrate the compassion of Jesus to the forgotten men of Union County.

REPORT ON EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal, cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source the divine knowledge found in the Bible. To preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters

are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous meeting next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge.

To God be the glory for each person who has been brought to confess Jesus Christ as Saviour and Lord.

We call upon all our churches to continue through prayer and planning for the Crusade of the Americas come next April, Our Lord willing.

We pray that every church in our association will have a great year in soul-winning.

Leonard P. Horne, Chairman

REPORT OF THE DEPARTMENT OF INTERRACIAL COOPERATION

Corbin L. Cooper, Secretary

"Fresh winds are blowing and new excitement is in the air!" These words from W.C. Fields' TRUMPETS IN DIXIE express the outlook of the work of the Department of Interracial Cooperation as 1968 draws to a close. Aiding tremendously in the work with National Baptists throughout North Carolina has been the "Statement Concerning the Crisis in Our Nation," adopted by the Southern Baptist Convention on June 5, 1968. Also, the literature, "We Hold These Truths," has opened many avenues for discussion groups to confront the problems of human relations within their churches and communities.

The department has experienced growth in practically every area during 1968. In January a record number of General Baptists attended the statewide Vacation Bible School Clinic at Wingate College. A series of five conferences on human relations was held in April with a total attendance of 800. These were held at Oakmont, Greenville; Brookwood, Jacksonville; Forest Hills, Raleigh; Madison Avenue, Goldsboro; and North Kannapolis, Kannapolis. Leaders for these conferences were the Reverend Raymond F. Harvey, Tuskegee Institute, Alabama, and Dr. Victor T. Glass of the Home Mission Board.

Thirteen small scholarships were provided this year for ministerial students at Shaw University, North Carolina College, A. & T. University, and Southeastern Seminary. Three new Week Day programs were held during the summer in churches located in Asheville and Brevard. An increasing number of seminars, youth retreats, institutes, discussion groups, etc., are being held in churches and associations with the goal of finding ways to initiate or increase a program of work with National Baptists.

Looking toward 1969, the annual statewide conference on evangelism meeting in Greensboro in January will be jointly sponsored by the two Baptist State Conventions. Also in keeping with the Crusade of the Americas the Baptist Men and Boys' annual convention for the first time next year will be jointly sponsored by the Brotherhood Department of the Baptist State Convention and the Layman's League of the General

Baptist State Convention. This meeting is scheduled in Winston-Salem March 28-29.

The department has been actively engaged with these and numerous other plans to promote an ever-strengthening program of work with National Baptists.

The statistics listed below reveal further efforts of those who serve in the department:

Institutes 61; Enrollment 3,059; Ministers Enrolled 213
Extension Classes 50; Ministers Enrolled 156
Workshops 26
Vacation Bible Schools 61; Enrollment 5,998; Professions of Faith 297
Week Day Programs 3; Enrollment 140
Professions of Faith 231
Other Additions to Churches 108
Churches Visited 548
Miles Traveled 113,236

Those who serve with the department in addition to the secretary are Mrs. Mary E. Washington, office secretary; Rev. C.C. Craig, Raleigh; Rev. J.Z. Alexander, Raleigh; Rev. Marvin L. Williams, Rocky Mount; Rev. Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville. In addition to these there were 12 adults and 14 college young people employed as summer workers. The Home Mission Board sponsored three of the summer workers.

REPORT OF CONSTITUTION AND BY-LAWS COMMITTEE

For the last three years your committee on Constitution and By-Laws has been engaged in a continuing study of the Constitution and By-Laws of our Association. In response to a vote in the association the committee prepared and presented to the 1967 annual meeting a proposed new constitution.

Messengers to the 1967 annual meeting were presented copies of the proposed constitution and following discussion of specific items, voted to refer the entire matter back to the committee for another year of study and to also bring back the constitution for the consideration of the association.

Your committee has requested suggestions in every session of our Executive Committee prior to the meeting has not received response from any person within the association.

With minor changes the constitution is therefore resubmitted for your consideration.

CHRISTIAN HIGHER EDUCATION REPORT

The continued growth of the support by our Baptist people of the Cooperative Program is most encouraging. For the year 1968, the following amounts were budgeted: Campbell - $272,377; Chowan - $163,100; Gardner-Webb - $154,945; Mars Hill - $234,864; Meredith - $234,864; Wake Forest University - $399,595; and Wingate - $171,255.

We should like, also, to report that we are grateful for the increased interest in the Baptist College Day and the number of churches participating. The Baptist College Day has two main objectives: to inform our people about the purpose and program of Christian higher education, and to provide an opportunity through the Baptist College Day offering to give much-needed help to our schools.

We urge our pastors and churches next year to contact our schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian college means to them. One pastor said recently: "The two young people who came to our church have changed the whole attitude of our congregation toward the Baptist colleges and the Cooperative Program." We would also remind you that the Council office will be ready to assist any church in planning the observance of Baptist College Day, and will also be glad to recommend speakers.

At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist Colleges, to which pastors and other church leaders will be invited. This decision came as a result of the very successful BEST forums which were held last year, and a number of pastors and laymen have suggested that this type of communication between the colleges and our Baptist people might well become an annual event. As quickly as the schedule can be arranged, announcements will be coming to pastors and Sunday School superintendents.

The Christian college campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. The denominations who grasp this opportunity to work with young people are the ones who will have the most effective Christian witness in America in the future. This is no time for retreating or retrenching. It is time for positive Christian witness from our churches and from our Christian colleges. We believe that we have a mandate to re-establish a sense of Christian values in American life.

CHRISTIAN LITERATURE

In these days of unrest, fast living, and endless meetings, do we stop and take advantage of the great supply of Christian literature that comes into our church and home? The Bible, of course, is most important. The HOME LIFE Magazine should be in every Baptist home.

The BIBLICAL RECORDER is a means of communication among N.C. Baptists. It covers all phases of our Baptist work. CHARITY AND CHILDREN is a fine paper. We do not want to overlook it. The news from our North Carolina Baptist Children's Home is a joy to our hearts and makes us realize needs in our own North Carolina.

Let us take advantage of the Christian literature that is available.

John G. Hargett, Jr., Chairman

BAPTIST FOUNDATION REPORT FOR 1968

During the past year, the North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will-making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

TELEVISION AND RADIO

"Their sound went into all the earth and their words unto the ends of the world." Romans 10:18.

Conditions of the world at home and abroad produce feelings of confusion and pessimism in even the strongest of Christians today. Sometimes we wonder how "the knowledge of the Lord shall cover the earth as the waters cover the sea," because we are experiencing a great falling away of attendance in most of our churches. The lost are not coming to the church to be saved, and many of our mission fields are closed to us.

The ministry of radio and television is fast becoming the most appropriate solution to the problem. The department continues to produce the network series, A LIGHT UNTO MY PATH, a mission work of the convention designed to reach the deaf, the aging, and the unchurched; BIBLE STORY TIMES, a weekly color program

for pre-school children; and CHURCH OF OUR FATHERS, a weekly thirty minute news program. Special programs are produced for Christmas, Easter, and Thanksgiving. Two new specialty programs, one on radio and one on television, were launched by Southern Baptists in the early part of 1968. JOT, a five minute television animated cartoon with a scriptural message, was begun on ten stations including WTCU in Charlotte, and OMNISCOPE, for college age groups, was begun on twenty-five stations with plans for increased coverage late in 1968. Also plans have been approved for production of three television programs to be used for the Crusade of the Americas in 1968.

Never has the task been so great, but never before have the means of communication been so efficient. With a radio in almost every car on our vast highway system and missions of people watching television many hours every day, let us take courage and support this ministry, both as individuals and as a body.

Lex Funderburk, Chairman

ORDINATION REPORT

The ordination committee of the Union Baptist Association questioned for the Gospel Ministry Brother William Stover and Brother Floyd Helms Jr. at Wingate Baptist Church on December 3, 1967. After all questions were answered to the satisfaction of the committee present, the church was advised to proceed with the ordination.

The committee also questioned Brother Alvin Thomas at First Church, Monroe, on May 31, 1968. He was questioned as to conversion, call to the ministry, concept of God, of Jesus and Holy Spirit, the inspirational standpoint of the Bible, its author and authority, the Virgin Birth, the ordinances of the church and as to his feeling toward cooperation with the association, state convention and the SBC.

1968 ANNUITY REPORT

IMPORTANT DATE FOR ALL NEW MEMBERS IN PLAN "A"

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation," commonly known as a "grace period." The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are:

Plan "A," formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B," The Age Security Plan; and Plan "C," the Variable Benefit Plan.

Information about the Protecton Program, including the "grace period" provision, may be obtained from the annuity secretary in your state at the Baptist Building, or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

ANNUITANTS RECEIVE "13th" CHECK

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for amount equal to 12 percent of his annual benefit. These checks were made possible because of interest earnings in excess of what the plan required. The trustees approved, two years ago, the issuance of the "13th" checks, providing the Board realized such excess interest earnings.

DUES ON TOTAL SALARY ENCOURAGED

Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten percent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

REPORT FOR 1967. As of December 31, 1961, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 17,400 churches were providing the Program for their ministers.

Of the 174 agencies in the state conventions and the Southern Baptist Convention, 145 were providing the Program. The total number of employees covered in the agency programs was 7,140. Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 310 Hillsborough Street, Raleigh, North Carolina, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

C.W. Teague, Chairman

REPORT ON GOOD GOVERNMENT

A report on good government normally deals with temperance and crime. While important, these things may not be now in the most commanding position for our attention.

Approximately 250 different creeds of religion live in our country today in harmony. Practically all of our churches have prospered as they have and do nowhere else in our world. Churches here are free to carry on programs as a result of voluntary contributions.

We have lived so long with the benefits of separation of Church and State that we have almost forgotten the crime and persecution resulting from a single established church and from plural establishments.

Religion is not religion unless it is free. We need now to pay attention to those who would cleverly take away our freedom of religion and institute government sanctioned and supported churches. Their means may be peaceful and sound logical

but we must constantly be aware of the result. Persecution in the name of religion is not better than any other variety. Let us choose to continue to be the champions of the gospel of Jesus Christ without interference from others.

The Christian is under a constant and never ending obligation to be a good citizen. "Let every person be subject to the governing authorities." Romans 13:1. This is especially true in our land and under our system of government. In our time, dictators have overturned representative governments. They have not requested. They demand and order, and if necessary shoot. We must keep our freedom alive by actively participating in the functions of our government, by being informed on public issues, by inquiring and voting where the issues are clear, and by insisting that we be honestly and adequately represented in our government.

J.D. Tucker, Chairman

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

CONSTITUTION

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of our Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each

church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by the unanimous consent of the messengers present, provided they comply with Article IX of this constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years; that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Training Union Director, Sunday School Superintendent, Brotherhood Director, Music Director, Evangelism Chairman, and other such officers that the Association deems necessary in the constitution of its work.

The term of Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years.

The total program of the Association shall be under the leadership of the person holding the office of Associational Missionary. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Associational Missionary shall be the responsibility of the Associational Council.

ARTICLE VI - Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Associational Missionary, Sunday School Superintendent, Training Union Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Chairman, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occuring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII - Associational Council

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Training Union Director, Sunday School Superintendent, Woman's Missionary Union Director, Brotherhood Director, Music Director, Chairman of the Finance, Evangelism, and New Church Committees, and two laymen from the Executive Committee.

The Vice-Moderator shall be chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the work of the Associational Missionary and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII - Trustees

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Asso-

ciation without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX - New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant; and at such a time as it deems proper, shall make a recommendation to the Association concerning the applicant.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall with the approval of the Executive Committee, recommend to the Association the purchase of such lands as are desirable for the future development of missions and/or churches, and shall recommend the organization of such missions and/or churches at such a time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X - Procedure

The business of the Association shall be conducted according to Robert's Rules of Order, where not otherwise provided by this Constitution or the By-Laws.

ARTICLE XI - Amendment

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and By-Laws for clarification and correlation.

ARTICLE XII - Adoption

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

PROCEEDINGS

Morning Session, October 28, 1969

1. Moderator Robert T. Byrd called the Union Baptist Association to order at 9:30 a.m. on Tuesday morning, October 28, 1969, for the One Hundred Fifteenth Annual Session in the West Monroe Baptist Church.

2. The worship period began with the singing of "Come, Thou Almighty King," led by J.D. Reich, with Mrs. John D. Rollins as organist. James Johnson read I Corinthians 13 and led in prayer.

3. Vice-Moderator J. Howard Williams entertained a motion to approve the printed program as the order of business. Motion made, seconded, and so ordered. Pastors coming into the Association since the last annual meeting were welcomed and recognized: J.P. Davis, Euto interim; Don Connell, Waxhaw; Collie Meggs, Lee Park interim; John Wood, Shiloh; C.R. Hinton, Marshville interim; James Mills, Mount Pleasant.

4. The Vice-Moderator presented Robert Byrd for the Moderator's Address. Using Ezekiel 33:1-8 as the basis for his remarks, Mr. Byrd emphasized the theme for the year, "Living the Spirit of Christ." As the "watchmen" or leaders of our churches, Mr. Byrd stressed our responsibility of being in our position at the right time, continually "sounding the trumpet." After citing our excuses for failing to live the Spirit of Christ, he challenged his hearers to begin living in Christ's Spirit.

5. Social Services reports - Elton Hunter moved the adoption of the Baptist Hospital, Homes for Aging, Children's Homes, and Prison Ministry reports as printed in the Book of Reports. Motion seconded. Dr. W.R. Wagoner spoke to the reports. He pointed out three reasons for our Social Services ministry: (1) Recognition-of the worth of every individual; (2) Consideration-of hopes, needs, and aspirations of others; (3) Care-love, compassion. The Children's Homes, now in their 84th year of operation, serve 800 boys and girls throughout the state. Following his address, the motion was carried.

6. Congregational hymn - "Jesus Calls Us."

7. Organization reports - Arch Cree moved the adoption of the Sunday School, Training Union, W.M.U., Brotherhood, and Music reports as printed. Motion was seconded and so ordered. He also moved the adoption of the Associational Missionary's report as printed. Motion was seconded and carried. He presented the Calendar of Activities for 1970.

8. Sam O'Neal, of the State Training Union Department, spoke on "Living the Spirit of Christ through Church Training," basing his remarks on Romans 2. "Prior preparation precedes proper performance," he stated. It is morally wrong to bring personalities into the church without proper direction and training. He closed with a plea for greater concern.

9. Congregational hymn - "Take My Life and Let It Be."

10. Registration report - 380 persons present; 243 messengers; 137 visitors.

11. Glenn Gaffney, host pastor, gave directions about church facilities and lunch.

12. Annual sermon - Dr. C.C. Warren - "The Lordship of Jesus." Admitting that he was putting new emphasis on old truth, Dr. Warren powerfully yet simply presented the claims of Christ as Lord of our lives. He used four key words in discussing Christ's Lordship: FACT (Lord of life and death), BASIS (who He is, what He does, what He still can do), EXTENT (every knee bow, every tongue confess), and CHALLENGE (recognize His sovereignty, adopt His standards without compromise, be

faithful in cross-bearing). Following his challenging message, Dr. Warren led the closing prayer and returned thanks for the noon meal.

Afternoon Session, October 28, 1969

13. The singing of "I Would Be True" opened the worship period of the afternoon session. J.D. Reich made appropriate remarks about the message of the hymn or the hymn writer prior to leading the congregation in the singing of each hymn during the sessions. P.J. James read an appropriate scripture passage and led in prayer.

14. The Moderator called attention to the Evangelism and Interracial Cooperation reports. A motion to adopt these reports as printed was made and seconded. Travis Styles of Burlington spoke to the report, using the theme "Living the Spirit of Christ through Evangelism." We are not "fishers of men," as Christ commanded us to be, but "keepers of the aquarium." We are out on the fringe areas, never having gotten into the mainstream of Christianity. Following his address, the reports were adopted.

15. Congregational hymn - "A Charge to Keep I Have."

16. C.R. Hinton moved the adoption of the Christian Education report as printed in the Book of Reports. Motion seconded.

17. Special Music - "The Lord's My Shepherd" - Mrs. Martha Parris and Mrs. Peggy Nash, from First Baptist Church, Monroe.

18. Dr. Bruce Heilman, president of Meredith College, spoke to the Christian Education report in a positive manner, stressing that Baptist colleges are absolutely necessary to Baptist work. The report was adopted.

19. Business and reports:

Trustees - Arch Cree called attention to this report and moved its adoption. Seconded and so ordered.

Place and Preacher Committee - R.J. Roberts moved the adoption of this report as printed. Seconded and so moved.

Constitution and By-laws - Robert Taylor read the recommended changes in the Constitution. Action to be taken following second day's reading.

Miscellaneous business - R.J. Roberts gave directions to Oak Grove Church, site of the second day's sessions.

20. Leonard Horne led the closing prayer.

Morning Session, October 29, 1969

21. The second day of the One Hundred Fifteenth Annual Session of the Union Baptist Association convened at 9:30 a.m. on Wednesday, October 29, 1969, in the Oak Grove Baptist Church.

22. J.D. Reich led in the singing of "God, Our Father, We Adore Thee," after which Lloyd Gosnell read from Philippians 1 and led in prayer.

23. Dr. C.C. Warren moved the adoption of the Cooperative Program report, after reading the definition given in the first paragraph of the report. Seconded. Howard Ford, director of missions of our Baptist State Convention, spoke to the report. Using the Scripture verse, "Laborers together with God," he pointed out the wise planning of our leaders when the Cooperative Program was devised 45 years ago. He stressed the outreach of our missions program, stating that Southern Baptists have approximately 2500 foreign missionaries serving in 70 countries. Following his address, the report was adopted.

24. Mrs. John G. Hargett, Jr. moved the adoption of the Treasurer's report.

Seconded. John Bivens reported that the books were audited by Hilton and Helms Accountants; he expressed thanks to the treasurer and to the auditors. The report was adopted as printed in the Book of Reports.

25. John A. Bivens, Finance Committee chairman, presented the proposed budget as printed in the Books of Reports, making the following changes: (1) New Equipment-add $500; (2) Field Worker's salary-add $500; (3) Maintenance-add $400. He moved that the budget be adopted with those three changes. Motion seconded. Mr. Bivens then explained the necessity of these changes: The amount for New Equipment is for purchasing a stove and refrigerator for Associational Missionary's Home; the salary addition may be needed in securing a new field worker; the additional amount for maintenance is for painting the Associational Missionary's Home, both inside and out. Mr. Bivens thanked the church for contributions to Associational Missions and urged them to give more. Voted to adopt budget with these three changes. (Total added to printed budget - $1400.)

26. Congregational hymn - "O Jesus, I Have Promised."

27. Witnessing Media reports - J.H. Steverson moved the adoption of the Christian Literature and Baptist Foundation reports as printed. Seconded. Marse Grant, editor of the BIBLICAL RECORDER, spoke to the reports. He mentioned several new programs: "Jot," a five-minute children's program; "Hot Line," a program for teens; and "Country Crossroads," which will appeal particularly to devotees of country music. Southern Baptists will be featured soon on an hour-long NBC special. Mr. Grant stressed the need for concern on personal, church, and institutional levels. "If the church doesn't take a stand (on liquor-by-the-drink, etc.), who will?" Following his remarks, the reports were adopted.

28. Congregational hymn - "Lord, Speak to Me."

29. Announcements - Host pastor R.J. Roberts extended Christian welcome to those present and gave directions concerning lunch and church facilities. Arch Cree recognized Mrs. Myra Motley from the Sunday School department of our State Convention.

30. Prayer requests - Mrs. W.E. Allen, Baptist Hospital, Winston Salem, and Mr. and Mrs. Ronald Beaver and baby, in a recent accident. Floyd Helms led in a special prayer for these.

31. Arch Cree introduced Mrs. R.L. Stocks, missionary to Luanshya, Zambia, since 1965 (Zambia - formerly Northern Rhodesia). "When you are following God's will, even the unhappiest times are times of peace." Africa is a dark continent, under the darkness of superstition and fear. When one twin is born dead, they believe that the other one murdered it in the mother's womb; therefore they allow the other one to die, often by starvation. But the darkness is being obliterated with the light of the knowledge of Jesus. A correspondence course, "Who Is Jesus?" has resulted in 3,000 converts. All work in Zambia is indigenous. There is only one answer to the darkness of Africa-Christ.

32. Lawrence Funderburk led the closing prayer and returned thanks for the noon meal.

Afternoon Session, October 29, 1969

33. The last session of the Association began with the singing of "Breathe on Me, Breath of God." James A. Rogers read from John 15 and led in prayer.

34. B.L. Connell moved the adoption of the Ordinations, Good Government, and Annuity reports as printed. This was seconded and so ordered.

35. Miscellaneous business - Mrs. Myra Motley spoke briefly, offering her services as our Convention representative to help our association interpret new plans and concepts for the 1970's. Gordon Maddrey, from the Baptist Foundation, used "He, being dead, yet liveth" as the basis for urging Baptists to use the foundation to leave money working for the kingdom of God after their death.

36. Cleve Wilkie, of the Stewardship Department of the Baptist State Convention, spoke on "Living the Spirit of Christ Through Ordinations." Ordination is an affirmation or confirmation of that which already is, and the church is the tool of the Spirit. A call must be divine before ordination takes place. Mr. Wilkie pointed out that it is ridiculously easy to become ordained by some churches.

37. Business and reports:

Committee on Committees - Leonard Horne called attention to the report as printed and moved its adoption. The floor was opened for other nominations. L.E. Bookout asked that Glenn Rushing's name be added to the Constitution and By-laws committee. This name was included in the original motion. Seconded. So ordered.

Executive Committee - Mrs. J.J. Griffin moved the adoption of the minutes of the Executive Committee as printed in the Book of Reports. Seconded and carried.

Constitution and By-laws - Robert Taylor read, for the second time, the proposed changes in the Constitution. Moved, seconded, and so ordered.

Historian - John A. Bivens moved adoption of the report as passed out to those present at the meeting. Seconded and carried.

38. Mr. Bivens expressed appreciation to Arch Cree, whose resignation as Associational Missionary is effective in December, and presented him with a monetary love gift from the Association. The Moderator also spoke words of commendation and expressed appreciation for the privilege of working with Mr. Cree.

39. Nominating Committee - Elton Hunter called attention to the slate of officers as printed in the Book of Reports. No nominations were made from the floor. Mr. Hunter moved the adoption of the report. Seconded, and so ordered.

40. Election of Moderator and Vice-Moderator - Moderator Robert Byrd and Vice-Moderator J. Howard Williams were unanimously elected to serve for another year.

41. Joe Larrimore presented the following report from the Resolutions Committee:

On behalf of the Union Baptist Association, we offer the following resolutions:

We express appreciation to the churches of Group V for their fine hospitality. We wish to thank the West Monroe and the Oak Grove Churches for the use of their facilities. We commend the spirit that has permeated this meeting.

We wish to thank the Monroe ENQUIRER-JOURNAL for its news coverage.

We express our gratitude to the officers of the association, the program personnel, and to Hilton and Helms, Accountants, Monroe, for the gratuitous audit of our books.

Finally, we wish to acknowledge the work done by our missionary, Arch Cree. We appreciate his leadership and the Christ-like spirit he has manifested since coming into our midst.

Respectfully submitted,
Mrs. Clyde Connell, Chairman

Mr. Larrimore moved the adoption of the report. Seconded and so ordered. The entire body stood to express appreciation to all churches in Group V: West Monroe, Oak Grove, Benton Heights, Calvary, Corinth, Howie, Mary Elizabeth, and Roanoke.

42. The clerk was instructed to write letters expressing Christian concern and remembrance to Leon McKeithan, Mrs. W.E. Allen, and Mr. and Mrs. Ronald Beaver.

43. The clerk read the memorials as the congregation stood in memory of those who had died during the year. A moment of silent prayer followed.

44. J.W. Mullis led the closing prayer.

Respectfully submitted,
Robert T. Byrd, Moderator
Virginia P. Griffin, Clerk

Note: Registration on the second day was 194 messengers and 43 visitors; total present, 237, with 53 churches represented.

COOPERATIVE PROGRAM

The Cooperative Program of Southern Baptists is the greatest plan ever devised by Christian people for the equitable distribution of our gifts to the causes nearest to the heart of our Lord, namely preaching, teaching, and healing. The Cooperative Program is the main channel for supporting world missions, Christian education, social services, and an ever expanding mission program. The goal for these causes this year is $6,750,000.

A special State Mission Offering goal of $250,000 is a challenge to every Baptist church in our state. Other approved special offerings - The Lottie Moon Christmas Offering, The Annie Armstrong Easter Offering, The Heck-Jones Memorial Offering, The Hospital Special on Mother's Day, The Thanksgiving Special for Baptist Children's Homes, Christian Education on Father's Day, and the Offering for the Homes for the Aging in February - all combine to an amount that will approach ten million dollars in 1969. This is most commendable, but a word of caution is perhaps in order - we should not be carried away with the glamour of special offerings at the expense of the Cooperative Program "lest we choke the goose that is laying the golden egg."

Materials for informing our people concerning the needs are produced and distributed by the Department of Stewardship Development. R.T. Greene is Secretary and Mrs. Susan Cochrane is Office Secretary. Harold White and his associate, Cleve Wilkie, share responsibility for teaching and training in The Forward Program, growth in Christian stewardship, and simple plans for Stewardship Development. The distribution of films, filmstrips, and other audio-visual material plus radio and television ministry is carried on by L.J. Morriss and his assistants.

We urge every church in our association to give renewed emphasis to the Scriptural plan of giving - tithes and offerings as a minimum standard of Christian stewardship - and to see that the Cooperative Program is given its rightful place in the church budget.

Respectfully submitted,
C.C. Warren

SUNDAY SCHOOL REPORT

During the past year the Associational Sunday School officers held only one planning meeting. Plans were made for the work and for the various conferences to be held throughout the year.

The first meeting was the Sunday School Leadership Clinic at Austin Grove Baptist Church. This meeting was led by State Sunday School workers. There was a good attendance at this meeting.

The second meeting, the Vacation Bible School Clinic, was held on May 1, 1969, at the First Baptist Church in Monroe, with a better than average attendance. This clinic was under the leadership of Rev. John Sigmon, Associational Vacation Bible School principal.

The third meeting, which was Action Night, was held at Sardis Baptist Church on September 16, 1969. Rev. Ralph Knight was the guest speaker. He emphasized the new material and the preparation to be made for the 70's. There was a total of 44 attending - this included only 12 pastors and represented 14 churches.

It was my privilege to attend one week of the Sunday School weeks at Ridgecrest and also the State Briefing Meeting at High Point. At these meetings I was made to realize some of the changes that are being made in the work of the Sunday School, and the preparation that will need to be made that we might understand the new literature and organizations that will be coming to us the first of October, 1970.

I would like to take this opportunity to thank each of the Associational Sunday School workers for the work done during the past year. I am looking forward to a greater work in the Lord through the Sunday School in the coming year.

Respectfully submitted,
Reece Rogers
Sunday School Superintendent

TRAINING UNION REPORT

These are busy days for the ministry of Training Union. The many new approaches to this work being offered are a challenge to each of us. Remember these changes and additions are designed to help us grow spiritually and enlighten us in our total church program.

Never has the need been so great for the training of church leaders, Christians, and all church members. Every individual and every church should take advantage of the great opportunities for service in the work of our Lord. Training Sessions are available if we will take the time to attend. Let's get informed. We are the ones who are missing the blessings received from service because we do not know how to apply ourselves. We train for other vocations, why not God's work? It is the most important. To each leader we encourage you to lead your people to participate in memory work, sword drill, speaker's tournament, and adult Bible reading. Using the Bible is one of the important phases of the training union work. Let's get busy and train ourselves to do the work ahead. Don't wait until October 1970; that will be too late. Now is the time.

A number of churches were visited during the year. It was very encouraging to see the work that is being done. We have helped one church in starting their training union. Reports are that they are going strong.

Thank you for giving me the privilege of serving in the Training Union work these two years. The blessings will long be remembered. May we all begin now in supporting our new director and his entire staff. They cannot do all the work for this association alone. It takes the cooperation of every church and each of their members. Support this great work with earnest prayers and action.

Respectfully submitted,
Mrs. Joe H. Griffin

WOMAN'S MISSIONARY UNION REPORT

In this year of "Changes and Choices" in WMU we have adjusted well to the new program, although we may have lost some members. However, we feel that we've really done more actual missionary work because of personal involvement in mission action.

WMU Council met regularly and our Leadership Courses and Conference were well attended. We had good representation at the State Annual Session of WMU, the WMU Conference at Ridgecrest, and the State-wide workshop at Hickory.

WMU Council decided to name our Wingate College Scholarship fund in memory of Mrs. Mary Barrett Blair, and to give a $200 scholarship to each of two students entering the Freshman Class at Wingate each year. They may be boys or girls.

The Associational Annual Sessions of WMU were held on March 27 at Benton's Cross Roads Church with an excellent attendance. The co-hostess churches were Antioch, Euto, Hopewell, Midway, Mill Creek, New Hope, and Pleasant Hill. The featured speaker was Mrs. Judson Lennon, missionary to Thailand, who held the audience spell-bound with her vivid account of the work in that far away land so near the war zone.

WMU was an active participant, along with the other departments of our churches in the Associational-wide teaching of our Foreign Mission Study Courses by teachers from "JAARS" at three different locations in the Association.

Probably the high-light of the year was a Prayer Retreat held at the CaRAway Baptist Church in Flint Hill. At this time we toured Camp CaRAway for Boys and Camp Mundo Vista (World View) for girls. The latter is a State-wideWMU project still in the process of being constructed, but attended this summer by more than 1600 girls.

This year our WMU attained "Distinguished," the highest rating attainable by the achievement guide-lines as set up by the Southern Baptist Convention WMU.

In the up-coming year we plan more than ever to get out of the "walls of the church" with attempting to help bring about God's Kingdom here on earth.

Respectfully submitted,
Mrs. Anne A. Brooks, Director

BROTHERHOOD REPORT

The Union Associational Brotherhood is a team of leadership which stands ready at all times to assist our churches with their mission program for men and boys. This aid may be in the form of training, interpreting, organizing new units, demonstrating types of mission activities, promoting mission studies, and providing opportunities for fellowship and inspiration.

I want to deviate from the usual report of statistics on meetings, attendance, etc., and ask some questions for you to answer about your church. If we aren't helping your church meet its needs for your men and boys in mission study and mission activity, our report can't be good. What is your answer?

1. Has your church had a man or boy to enter the ministry within the past 5 years?
2. Has a man or boy volunteered as a missionary?
3. Do your men know what the cooperative program is?
4. Do your boys know about the life and work of any of our missionaries?
5. Do you want the men and boys of your church to become better informed and more involved in our mission program?
6. Have your men participated in our associational workshops and training meetings?
7. Have you invited a Brotherhood officer of the association to help your church?
8. Will your church elect a man as Brotherhood Director who can help your associational officers in promoting the mission program for men and boys in your church?

If you can answer "yes" to all the above questions, our report is good. If it is "no," we need to begin now working together toward making some "yes" answers. I suggest we begin with question (8) and work in reverse order. By the time we get through (3) the answer to (1) and (2) will have a much better change to be "yes."

Unfortunately, the majority of our churches cannot give an affirmative answer to any of these questions.

We of the Brotherhood Council are very grateful for the good leadership some of our churches are giving Baptist Men and Royal Ambassadors. It is our sincere prayer that the men and boys of all our churches may become better informed and more involved in what is truly the HEART of our church program-MISSIONS.

Respectfully,
J.B. Helms, Brotherhood Director

MUSIC MINISTRY REPORT

The theme of our Associational Music Ministry activities this past year has been assisting the churches to establish, conduct, enlarge, and improve their music programs.

Early in the fall, an organizational meeting was held at the First Baptist Church. All music directors were invited, with seven present. Several projects were mentioned and discussed. The one the group felt was most needed and would be most helpful was a SCHOOL OF MUSIC held in the First Baptist Church May 19-20. Mr. Robert Decker, Minister of Music and Education of Shelby's Elizabeth Baptist Church, directed a choral class for adult and high school choir members. Over forty singers were enrolled with nine churches represented. Mr. Charles Storey, Minister of Music of Kannapolis' First Baptist Church, led a class for pastors on the subject of worship. Three pastors were enrolled.

Ten churches were represented in the Associational Adult, Youth, and Junior Massed Choirs which led the music for the ASSOCIATIONAL CRUSADE REVIVAL Services March 13-15 in the Wingate College Auditorium. One extra rehearsal was held for each of the three choirs prior to this three-night emphasis.

Nearly 100 singers from our association were in attendance for either the JUNIOR MUSIC WEEK OR THE YOUTH-ADULT MUSIC WEEK at our North Carolina Baptist Assembly near Southport, North Carolina, this summer.

Nearly 50 choir members from our association participated in the REGIONAL CHOIR FESTIVALS in Charlotte in February. The same choristers then participated in the STATE AND ALL-STATE CHOIR FESTIVALS held in April.

A PLANNING MEETING FOR THE WORK TO BE DONE IN 1969-70 was held during August with Elwood Colgin, our Regional Music Director, in charge. The music directors in all our churches were invited. Three directors were present.

Your associational music leadership stands ready to assist you in establishing, conducting, enlarging, and improving your ministry through music. Call on us if we can help you in any way.

Sincerely,
James D. Reich
Associational Music Director

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are better able to discover those patients who may be eligible for medical assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patient and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for the patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. Preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted,
Elton Hunter

CHILDREN'S HOMES REPORT

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, are recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs, and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available

money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality of services is being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes in Western North Carolina have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site, and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multipurpose administration and activities building, and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes, another ministry is being developed in Asheville. A home which will serve unwed mothers and their offspring will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contributions of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Respectfully submitted,
R.J. Roberts

HOMES FOR THE AGING REPORT

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging - the Special Offering, and the Cooperative

Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes - Resthaven and Hayes Homes in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Respectfully submitted,
J.D. Tucker

CHRISTIAN HIGHER EDUCATION REPORT

The Council membership is made up of the eighteen members of the Education Committee of the General Board, seven college presidents, seven chairmen of boards of trustees, and seven academic deans. Ex-officio members include the president of the Convention, president of the General Board, General-Secretary Treasurer of the Convention, and the president of the state Woman's Missionary Union.

Dr. Ben C. Fisher is director of the Division of Christian Higher Education and executive secretary of the Council. Miss Grace Yow is secretary to Dr. Fisher.

North Carolina Baptists now have a university, four senior colleges and two junior colleges: Wake Forest University, Winston-Salem; Campbell Senior College, Buie's Creek; Mars Hill Senior College, Mars Hill; Meredith Senior College, Raleigh; Gardner-Webb Senior College, Boiling Springs; Chowan Junior College, Murfreesboro; and Wingate Junior College, Wingate.

There are currently enrolled in all North Carolina Baptist colleges approximately 12,000 students.

In these institutions there are more than 500 young men and women preparing for full-time Christian service. This includes those preparing for the gospel ministry, to be missionaries, educational directors, directors of church music, Christian college teachers, chaplains, and denominational workers.

In each college catalog may be found a statement of Christian purpose. The Christian college operates on the basic assumpton that apart from religious commitment life can have no ultimate meaning. Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used

for the good of man and for the glory of God, and the two cannot be separated.

The North Carolina Baptist college curricula provide courses in the study of Bible, Church History, and related subjects which give students new insights and commitments to the Christian faith.

All colleges have regularly scheduled chapel services which provide an opportunity for worship, meditation, scripture, prayer, music, and preaching. Baptist colleges are not only concerned with the special role of training the Christian vocational worker, but they are also concerned with teaching and training churchmen who will take Christian views and sympathies into any vocation which they enter.

The Cooperative Program is the Baptist college lifeline. Administrations, faculties, students, trustees, and alumni are deeply grateful to North Carolina Baptist for this support.

The Baptist College Day offering has become another significant means of financial support to our Baptist colleges, and each church is urged to participate.

CHRISTIAN LITERATURE REPORT

How much Christian literature do you have coming into your home? Is it sound? Is it Biblical? Is it missionary? Is it helpful?

It is said if America continues in the present trend by the year 2000 she will be pagan. Therefore, we must for the sake of our Lord and our children hear and give heed to Proverbs 22:6, "Train up a child in the way he should go: and when he is old, he will not depart from it."

The literature which comes into our homes is a testimony for or against Christ. Since this is true, let us continually ask ourselves the question that Isaiah asked Hezekiah, "What have they seen in thine house?" (II Kings 20:15.) The literature seen in our home is a testimony as to our way of life and philosophy.

We Southern Baptists are very fortunate to have many fine Christian publications. Many of these should be in every home throughout the world and especially in each home in our association.

We recommend: first, daily Bible reading in every home; second, the "Home Life" magazine which is among the best. Third, "The Biblical Recorder" is a must for North Carolina Baptists. Then, there is "The Commission," The WMU and Brotherhood publications. Also, there are books and other publications by the Southern Baptist Convention that will be most helpful.

Let us all read and study that we may fulfill Paul's charge to Timothy, II Timothy 2:15, "Study to shew thyself approved unto God, a workman that needeth not to be ashamed."

John H. Steverson, Chairman

PRISON MINISTRY REPORT

This year our infant prison ministry matured marvelously! Under the able leadership of the Reverend Kenneth Wellmon, a wholesome program of worship, discussion, fellowship, and follow-up was carried on at the Union County Prison Camp. Many prisoners made public professions of faith in Christ, and scores of others rededicated their lives to the Lord. Our prison Coordinator has sought to minister to the whole man. He has helped the inmates in the prison and has obtained jobs and lodging for some of them after their release.

Our greatest frustration this year was the failure to obtain final approval for the proposed prison chapel. We have been assured by State prison officials that the needed permission to build will come. We wait hopefully.

EVANGELISM REPORT

The main purpose of the Division of Evangelism is to challenge pastors, church leaders and members, and other leaders of Baptist Institutions under the guidance of the Holy Spirit to have a proper Biblical understanding of total evangelism, and to practice New Testament Evangelism in all areas of life.

The work of evangelism during the past year in the Union Baptist Association was the continued planning for and The Crusade of the Americas.

Pastors' prayer services were begun the first Tuesday in November, 1968, and continued through April, 1969. These prayer services were held in 20 churches of the Association. Attendance averaged 23. Three night prayer services were held for pastors and lay people. Attendance fair.

The Union Baptist Association Crusade Revival held in Wingate College Auditorium was in preparation for local Church Revivals, with Dr. Jack Stanton, Evangelist, Home Mission Board, March 13-15, 1969. His messages were spirit-led and powerful. The attendance fair.

Fifty of the 56 churches in the association had revivals in March, April, or May.

Thirty three churches reported results during the Crusade revivals: Professions, 129; Baptisms, 127; Letters, 57; Statement, 10. Pastors stated a great number of rededications of Christians in the local churches.

The May Pastors' Conference voted to continue the Prayer meetings on the last Tuesday of each month.

May we continue praying that the Holy Spirit will continue to move in our midst, and we will be able to see greater results of souls coming to know our Lord Christ as their Saviour.

On behalf of the committee, we express our thanks to each pastor, our missionary, and each church, and "To God be the Glory" for what has been accomplished in His name.

REPORT OF THE DEPARTMENT OF INTERRACIAL COOPERATION

Corbin L. Cooper, Secretary

Baptists in the two state conventions have strengthened some established work during 1969 while opening new avenues of service together.

Members of the General Baptist State Convention shared in the annual statewide Vacation Bible School clinic at Wingate College in January. A new feature on the program was an inspirational message delivered by Dr. Leon Riddick, a Negro pastor from Charlotte. The clinic is planned by the Sunday School Department.

For the second time, the statewide conference on evangelism held in Greensboro was sponsored jointly by the two conventions. The first statewide Man and Boys' Convention to be co-sponsored was held in Winston-Salem in March. The meeting was arranged by the Laymen's League of the General Baptist State Convention and the Brotherhood Department of the Baptist State Convention. A record attendance of over 7,000 was recorded.

The annual series of conferences on human relations was held in April and utilized the talents of Dr. W.R. Grigg and Dr. Emmanuel McCall of the Home Mission Board. Conferences were held at the Yates Baptist Church, Durham, the University Baptist Church, Chapel Hill, and the First Baptist Churches of Ahoskie, Wilson, and Gastonia.

Other departments utilizing Negro talent in statewide activities included the Baptist youth Convention, held at Lumberton in May, and featured Dr. F.G. Sampson, a pastor from Louisville, Ky. This convention was planned by the Church Training Department. Also, Dr. and Mrs. C.R. Edwards of the First Baptist Church, Fayetteville, served as the first Negro conference leaders at the North Carolina Baptist Assembly, Southport, during World Missions Week in June.

BAPTIST FOUNDATION REPORT

By C. Gordon Maddrey, Executive Secretary

The assets of The North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a SERVICE arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

ANNUITY REPORT

INFLATIONARY TREND CONTINUES

During 1968, neither inflation nor the economy showed any evidence of a slow down. Evan as late as the second quarter of 1969, there was no sign of a leveling off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A", the basic retirement fund; Plan "B", the supplementary fund; and Plan "C" the variable fund. Response was also good in the Life and Health Benefit Plans.

THIRD YEAR FOR "13TH CHECK"

For the third consecutive year, the Annuity Board issued a "13th" check to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

HIGHLIGHTS OF 1968

1. 3,451 new members in the Southern Baptist Protection Program.
2. 23,714 members now participating in Plan "A", 1,538 more than in 1967
3. 18,086 churches providing protection for their pastors
4. 145 agencies providing protection for 9,894 employees
5. $173,863 given in relief grants
6. $6,543,169 paid in total relief and protection benefits
7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain

GOOD GOVERNMENT REPORT

"Good Government is Everybody's Business" is virtually a platitude, but, if it were not for the efforts of the BIBLICAL REPORDER, its editor, Marse Grant, the Methodist Bishop, and the North Carolina Temperance League, we could very well be experiencing the deeper problems of legalized "whiskey-by-the-drink" and open bars. Few of us realize the effects of a letter or a phone call to our State representatives.

It is the duty of every Christian to be "watchful," to be informed, and to express his approval as well as his disapproval of what is going on in society, or in the courts, or in the legislature. It helps to give a pat on the back when one is due.

Good Government IS the Christian's business.

DIVISION OF MISSIONS

Howard J. Ford, Director

The Division of Missions works through six departments and various specialized ministries. In order to serve more effectively there is a Department of City Metropolitan Missions (centers over 2500 population); Town and Country (towns under 2500 population and all rural areas); Fruitland Bible Institute; Deaf Work; Interracial Cooperation; and recently approved Department of Chaplaincy Ministry. In addition, there are specialized ministries at Cherokee; in military areas; and the following institutions: Leonard Training School; Samarcand Training School; McCain Sanitorium; Odum Prison; and Morrison Training School.

The Division of Missions emphasizes service to local churches, especially those that may be classified as missions. Pastorial aid (financial) is granted to many churches in both rural and city areas. Lot aid is provided in needy situations. Along with financial aid, competent counsel will be given by department secretaries when requested by the church.

A close cooperative arrangement between the divisions and the local associations is cultivated. A majority of the associations are granted financial supplements by the State Convention.

It is impossible to say which mission emphasis is most important. There has been rapid growth in Seminary Extension. Two new ministries are getting healthy response--Resort and Christian Social Ministries.

The leadership of the Division of Missions is emphasizing the salvation of the whole man. Our approach is based upon deep convictions concerning the necessity of both faith and works.

CHURCH HISTORY - ANTIOCH BAPTIST CHURCH

Antioch Baptist Church was organized October 3rd, 1892. Charter members, being eight male and nine female, were:

Brothers	Sisters
J. A. Newton	S. E. York
J. H. Presson	E. M. Eudy
J. D. Jenkins	J. A. Greene
J. M. York	I. I. Kiker
J. Greene	S. J. Kiker
C. E. Kiker	M. A. McCoy
J. R. McCoy	E. A. Baucom
A. A. Baucom	Nancy A. Newton
	Mary E. Reed

The church elected two deacons and clerk.

The church worshiped under a brush arbor, then erected a board arbor, and in 1895 erected a one-room frame building. This building was used for worship until early 1926, when the structure was moved back about 150 feet and a wing built on each side for Sunday school rooms and extra space for the auditorium.

As the church grew in membership, there was need for more space. In 1952 the church started a new sanctuary with most of the labor and material being donated by members and friends, other than around ten thousand feet of timber on the church lot. The lumber on the lot and that donated was cut and sawed by the men of the church. One man furnished the saw mill, another the tractor, and still another a truck. We erected a brick building with baptistry, nursery, and six Sunday school rooms, valued at about $30,000. (Baptistry in sanctuary and two restrooms then). We had our first service in the new building, debt-free, on the fourth Sunday in July, 1953.

Then in 1962, we erected a new educational building with nine Sunday school rooms, two rooms for nursery, pastor's study and secretary's office, with a fellowship hall in the basement and a total of three restrooms in the building. In 1969 air-conditioning was added for both buildings.

At present the W.M.U. ladies are in the process of getting new walks poured in front and between the buildings.

The present membership is around 350.

AUSTIN GROVE BAPTIST CHURCH HISTORY

Austin Grove Baptist Church, located on Route 2, Marshville, N.C., was organized October 2, 1914. Two acres of land were deeded to the church by W.M. Austin and wife, Jennie. Thus the name Austin Grove was given to the church.

Organization was mainly through the efforts of the Rev. W.B. Holmes, the Rev. A. Marsh, the Rev. J.A. Bivens, the Rev. T.P. Little, the Rev. E.C. Snyder and the Rev. R.M. Haigler. There were forty-eight members.

Construction of the church building was started soon after its organization. The DEDICATORIAL sermon for the church building was preached on the first Sunday in July, 1916, by the Rev. C.J. Black. In February, 1926, the church voted to give one-third of all money collected to missions and two-thirds to the pastor.

In March, 1929, the Sunday school was graded; the six-point record system was installed, and three new classes were added.

The Woman's Missionary Union was organized September 20, 1931, with ten charter members.

It was decided in June, 1937, to discontinue Saturday services and have preaching services twice each month on the first and third Sundays.

The board of deacons recommended on February 10, 1952, that Training Union be organized. The plans proceeded and today we still have an active Training Union with 81 members.

In 1954 the Men's Brotherhood was organized, and plans to improve and enlarge the cemetery were presented.

In December, 1954, Milton Austin offered lumber for the building of a pastorium. The deacons recommended that it be built across the road in front of the church. In January, 1955, this offer and recommendation were accepted.

Austin Grove's first full-time pastor was the Rev. B.L. Connell, who served from 1954-61.

Plans for the Fellowship Hall building were presented in April, 1958. Block construction was used. After its completion, rules were that its use be limited to the church groups and their activities.

Austin Grove church observed its Fiftieth Anniversary with a Homecoming on August 9, 1964. Former pastors and members were invited to attend.

In November, 1962, a planning and survey committee was appointed to investigate the possibility of remodeling or building a new church building. A motion was brought before the church on December 3, 1964, to build a new church. The motion carried. On January 10, 1965, the church voted to build the new church at the top of the hill across the road from the cemetery. The land was donated by Milton Austin.

Ground-breaking service for the new church building was conducted by the pastor, Robert Byrd, on May 23, 1965. Actual construction was begun June 7, 1965. The modern brick structure with exposed beams in the sanctuary, a baptismal pool, complete educational plant became a reality... The first service being on January 23, 1966.

Since entering the new church building, Sunday school attendance has increased and the need for more educational facilities has arisen. At the present time an additional seven classrooms and study are under construction.

HISTORY OF BENTON'S GROSS ROADS BAPTIST CHURCH

The Rev. Cull Davis and the Rev. Reuben James conducted a revival meeting in

1882 under some oak trees where Benton's Cross Roads Baptist Church now stands. A successful meeting was held under a brush arbor cover after which several believers decided to organize a Baptist church. On Saturday afternoon, September 2, 1882, a small group of people gathered for service under the oak trees. The Rev. A.C. Davis read from Romans 1:16 - "For I am not ashamed of the Gospel of Christ for it is the power of God unto salvation to everyone that believeth, to the Jew first and also to the Greek." A message was delivered and songs were sung from the hearts of these dedicated people using no books or instrumental music. Following this meeting, 26 charter members brought letters signifying the organization of a new church.

In a short time a wooden frame, white building was erected that seated seventy-five to one hundred people. It faced a road which, at that time, was narrow and dusty. The church grew both spiritually and in membership slowly but surely. Financially, the church was very unstable. Many times, the pastor was paid a bag of cotton seed meal for feed for his cow, or a bushel of meal for his own use. But he always thanked God for his people and their liberality.

Great revivals were held in 1923 under the leadership of the Rev. Alfred Honeycutt. The church received a great spiritual revival, and many were won to Christ. New spaced was needed, so two wings were added, supplying space for six Sunday school rooms. The church grew rapidly along with the community population.

In 1940, there was a membership of approximately 250 members and in the late 1940's under the pastorship of Olen Honeycutt, a building fund was started. In 1955, under the leadership of the Rev. Vance Edwards, construction of the present building was completed. The congregation moved into this building on Easter Sunday, 1955.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

DEDICATION

Wade B. Holmes
1886-1970

The Rev. Wade B. Holmes was born in Union County, August 25, 1886, to George
. and Melissa Manus Holmes. He was 83 years old at the time of his death on July
, 1970. He is survived by his wife, the former Mealie Griffin, one daughter and one
on.

Mr. Holmes faithfully served as a pastor, until poor health forced his retirement in
960. He served churches in Anson and Stanly counties, having been pastor at North
lbemarle Baptist Church for 18 years. He also served as pastor in Dunedin, Florida,
r a short time.

Mr. Holmes helped with the organization of Austin Grove and Midway churches
nd served as pastor of the following churches in this Association: New Salem, Roan-
ke, Sandy Ridge, Mt. Pleasant, Shiloh, Olive Branch, Benton's Cross Roads, Fairfield,
ew Hope, West Monroe, Lee Park, and for 16 years as pastor of North Monroe.

In the active pastorate for 47 years, Mr. Holmes faithfully proclaimed the Truth
s it was revealed to him as a servant of the Lord Jesus Christ.

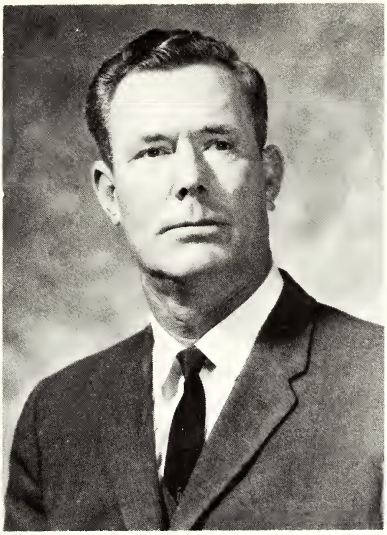
Norman Shaw Joyner
1892-1970

Our Association lost one of its most faithful and long-time pastors in the home-going of the Rev. Norman Shaw Joyner on June 9, 1970. Born in Hertford, N.C., on Nov. 15, 1892, Mr. Joyner was 78 at the time of his death.

With his wife, the former Mattie Laura Blanchard, also of Hertford, Mr. Joyner moved to Union County from Mars Hill in July, 1925. His wife and eight children survive.

Mr. Joyner studied at Wingate College and Mars Hill College, and availed himself of every opportunity to become better informed. He had a deep devotion to the Baptist faith and served as counselor to many young ministers and in the establishment of new Baptist churches in our Association. Mr. Joyner was loyal in attendance at our Association meetings and in attending all denominational meetings.

Churches he served in this county are: Waxhaw, Howie, Mine, Corinth, King Memorial (a 19-year pastorate), and Hermon, where he served for more than 35 years. The Hermon church honored him by naming its new Educational Building in his honor. Truly one of God's devoted servants has gone to his reward.



Leon W. McKeithan

The Rev. Leon McKeithan assumed the pastorate of the Sutton Park Baptist Church n June, 1965, coming to our Association from Council, North Carolina.

He died April 20, 1970, after a prolonged battle with a malignancy. Mr. McKeithan ore his sufferings and disappointments with courage, a magnificent example of Chris- an faith and patience. He left a witness that will be long remembered by those with hom he associated and served. He is survived by his wife, five daughters and a son.

Our Association has a challenging responsibility to hold high the torch of Christian ith which has been passed on to us by those who have "gone up higher." They faith- lly proclaimed the Truth that was revealed through God's Word and His Spirit as they ved and served among us. Can we do less?

CONSTITUTION

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of our Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches contituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Affiliated Churches

Those Missionary Baptist Churches which have applied for membership, and by vote

of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by the unanimous consent of the messengers present, provided they comply with Article IX of this constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptist through the years; that all churches presently composing this body, and all other seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation and to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - Officers

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years.

The total program of the Association shall be under the leadership of the person holding the office of Associational Missionary. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject to the approval of the vote of the Executive Committee. The terms and conditions

of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Associational Missionary shall be the responsibility of the Associational Council.

ARTICLE VI - Executive Committee

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Associational Missionary, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occuring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII - Associational Council

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee.

The Vice-Moderator shall be chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the work of the Associational Missionary and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX - New Church Committee

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant; and at such a time as it deems proper, shall make a recommendation to the Association concerning the applicant.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall with the approval of the Executive Committee, recommend to the Association the purchase of such lands as are desirable for the future development of missions and/or churches, and shall recommend the organization of such missions and/or churches at such a time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X - Procedure

The business of the Association shall be conducted according to Robert's Rules of Order, where not otherwise provided by this Constitution or the By-Laws.

Howard Williams recognized visitors and new pastors: Arch Cree, former associational missionary; Carroll Johnson, Marshville; G.T. Liner, Midway; Coy Long, New Salem; E.P. Warren, Lee Park; Leonard Routh, Centerview.

4. The Vice-Moderator presented Robert Byrd for the Moderator's Address. Using the program theme, the Moderator's message centerd around Malachi's statement: "I am the Lord; I change not." He pointed out that we cannot have fellowship with God when we rob Him (of the tithe); neither can we worship somebody whom we are robbing. He urged his listeners to have convictions about money and to heed the exhortation to "Bring... all the tithes into the storehouse." He concluded on the positive note that "the direction of America can be changed if we live as true MISSIONARY Baptists."

5. Social Services Report - J.D. Tucker moved the adoption of the Baptist Hospital, Children's Homes, Homes for the Aging, and Prison Ministry reports as printed in the Book of Reports. Motion seconded. Mr. William Poole, Superintendent of N.C. Baptist Homes, Inc., spoke to the reports. From the first Home for the Aging established in a spirit of faith nineteen year ago, our ministry now encompasses five homes and a nursing unit, where 200 older people can be lovingly cared for. These senior citizens, whose average age is 80, show great love for their Lord and love for Baptist people. Mr. Poole stressed the importance of the special offering for the Homes in February, pointing out that 75% of these residents need financial assistance. Following his address, the motion was carried.

6. Congregational hymn - "Work, for the Night Is Coming."

7. Organization Reports - Reece Rogers moved the adoption of the Sunday School, Church Training, W.M.U., Brotherhood, and Associational Missions Reports as printed in the Book of Reports. Aaron Tyner presented the Missions Planning Committee Report (Associational Calendar of Activities). Motion was seconded to adopt these reports. Burrel Lucas, state Sunday School secretary, spoke to the reports, quoting from Matthew 9, when Jesus saw the multitudes and was "moved with compassion." He pointed out that we also are to pray for more laborers, not necessarily accept more places of responsibility ourselves. The motion to adopt these reports was carried.

8. Men's Quartet - "Only Trust in Jesus" - Kenneth Griffin, Jackie Gill, John Van Chaney, Clyde Hicks.

9 Announcements - Glenn Flowe, pastor of Ebenezer, one of the host churches, welcomed messengers and visitors in the absence of Secrest Grove pastor Lloyd Gos-

nell. He also gave directions about church facilities and lunch.

Registration Report - Lewis McLean - 348 persons present; 251 messengers and 97 visitors.

10. Dr. Budd Smith announced that this session of the Association marks the 75th Anniversary of Wingate College, for it was at the annual meeting in 1895 that a committee was appointed to formulate plans for the establishment of Wingate School, later to become Wingate College.

11. Robert Taylor moved the adoption of the Evangelism and Interracial Cooperation Reports as printed in the Book of Reports. Motion seconded. Dr. Carl Bates, president of the Southern Baptist Convention, spoke to the Reports on "Living the Spirit of Christ Through Evangelism." After reading II Kings 7, Dr. Bates compared modern-day Christians with the lepers as they lingered in the Syrian camp, before they realized they should hasten to tell "what the Lord had done." When asked by a seminary student what had been the hardest thing in his ministry, Dr. Bates decided that it was "in getting God's people to open their mouths at the right times about the right things." Often people don't really know what to say and don't understand the role of the church. The needed dynamic, God's Holy Spirit, has already been provided. Following his address, the report were adopted.

12. Leonard Routh led the closing prayer and returned thanks for the noon meal.

Afternoon Session, October 27, 1970

13. (An unexpected delay in the catering service delayed lunch and caused the afternoon's program to be modified, with the annual sermon re-scheduled for the close of Wednesday's session.)

14. The singing of "The Riches of Love" by the male quartet opened the afternoon session. J.B. Helms led in further worship with the reading of II Timothy 4, followed with prayer.

15. The Handbell Choir of the First Baptist Church, Monroe, directed by James Reich, rendered three selections.

16. Business and reports:

Constitution and By-Laws - L.E. Bookout read the recommended changes in the Constitution and By-Laws as printed in the Book of Reports, with action to be taken after the second day's reading. John A. Bivens also recommended a change in the By-Laws with reference to compiling church histories. He recommended that each church bring its history up to date, with a committee appointed to supervise publication of this material. This was referred to the Constitution and By-Laws Committee for action tomorrow.

17. Thomas Faulkenberry and a student group from Wingate College presented brief testimonies in word and music. Wingate students desire to help the churches of Union County with weekend revivals, music, recreation, etc. Contact with these students may be made through Mr. Faulkenberry.

18. Dr. Budd Smith moved the adoption of the Christian Education Report, as printed in the Book of Reports. Seconded. Dr. Ralph Scales, president of Wake Forest University, spoke to the report, stressing the solemn responsibility of the teacher of youth. He urged those who work with young people to "Go back to your roots. Don't be afraid to share your ideals. Don't be ashamed to recite the achievements of your own generation. But don't be afraid to listen. Sometimes there is wisdom in what the youth are saying." He also stressed the distinctives of the Christian college. Following his address, the report was adopted.

19. Gordon Maddrey spoke briefly about the Baptist Foundation.
20. Adjourned by Moderator.

Morning Session, October 28, 1970

21. The second day of the One Hundred Sixteenth Annual Session of the Union Baptist Association convened at 9:30 a.m. at the New Salem Baptist Church on Wednesday, October 28, 1970, with Moderator Robert Byrd presiding. Worship began with the singing of "All Hail the Power," led by Kenneth Griffin, with Mrs. Kenneth Mangum at the organ. E.P. Warren read Ephesians 4:1-15 and led in prayer.

22. Host pastor John Sigmon welcomed the Association and gave directions about church facilities and lunch.

23. B.L. Connell referred to the Cooperative Program Report in the Book of Reports and moved its adoption. Seconded. Tom Greene, of the Baptist State Convention, spoke to the report. He stated that the Christian's primary motive for giving is his own need to give. Jesus like to talk about money, as indicated by his frequent statements in the New Testament about giving. Our own need to give takes precedence over other persons' needs, important as they may be. "You cannot separate giving from worship." Motion was carried and report adopted.

24. Mrs. John G. Hargett, treasurer, moved the adoption of the Treasurer's Report as printed in the Book of Reports. Seconded. Report adopted.

25. John A. Bivens, Finance Committee chairman, moved the adoption of the 1970-71 budget ($17,062.76) as printed in the Book of Reports. He urged more emphasis on stewardship in each local church. The $1.50 suggested per member per year is very little, and we should do far more in associational missions. Motion was seconded and budget adopted.

26. Registration Report - Lewis McLean - 216 persons present; 183 messengers and 33 visitors.

27. Congregational hymn - "Send the Light."

28. With Vice-Moderator J. Howard Williams presiding, Glenn Flowe moved the adoption of the Christian Literature, Baptist Foundation, and Radio-Television Committee Reports as printed in the Book of Reports. Seconded. John Steverson spoke to to the reports, bringing a doctrinal message on the Bible. Mr. Steverson stated that we don't feel the power of God very often because we are not willing to pay the price. He pointed out that we will never understand the Bible until we have accepted it and believed it. Following his message, the motion carried.

29. Worth Grant, missionary to Japan and brother of BIBLICAL RECORDER editor Marse Grant, spoke briefly for the RECORDER. It is a voice for foreign missions, home missions, hospitals, colleges, etc., as well as our Baptist voice to witness on social evils.

30. Kenneth Griffin sang "So Send I You."

31. Mrs. George Cowsert, missionary to Brazil for 18 years, brought the missionary message. W.E. Allen, veteran missionary to Brazil, was recognized. We realize greater results on our mission dollars in Brazil than anywhere else, according to Mrs. Cowsert, She paid high tribute to her father-in-law, J.J. Cowsert, whose life was devoted to the publishing work in Brazil. Money is needed to pay for new equipment which now makes it possible to produce one million copies of the Bible each year. She challenged Baptists to tithe the cost of Christmas gifts this year and give that amount to foreign missions.

32. Boyce Earnhardt led the closing prayer and returned thanks.

33. The last session of the Association began with the singing of "He Leadeth Me." Clay Edwards read from Matthew 25 and led in prayer.

34. Howard Cook called attention to the Ordination Committee and Annuity Reports as printed in the Book of Reports. Dr. C.C. Warren read the Good Government Report. There was a motion and a second to adopt these reports. Dr. Warren spoke to the reports, basing his remarks on Philippians 1:21. Paul witnessed to those in governmental positions, and his life was such that he could tell people to imitate him. Often we are such poor demonstrators of our faith that we dare not be emulated. "There can be no good government or ordered society except it have a moral foundation," Dr. Warren stated. We must remember our heritage and the tenets of our faith, proclaiming what we believe. Following his message, the reports were adopted.

35. Business reports:

Aaron Tyner moved the adoption of the Trustees Report as printed. Seconded and so ordered.

Executive Committee - Mrs. J.J. Griffin moved the adoption of the minutes of the Executive Committee as printed in the Book of Reports. Seconded and carried.

Constitution and By-Laws - L.E. Bookout recommended these changes:

In Articles V, VI, VII of the Constitution, and in Articles 9 and 13 of the By-Laws, the wording "Sunday School Superintendent" and "Chairman of Evangelism" be changed to "Sunday School Director" and "Evangelism Director."

In Articles V, VI, VII of the Constitution, and in Article 10 of the By-Laws, the wording "Training Union Director" be changed to "Church Training Director."

In Article 23 of the By-Laws, the wording "Training Union" be changed to "Church Training."

Motion made, seconded, and so ordered to make these revisions.

Mr. Bookout also recommended that Article 14 of the By-Laws be revised to read:

The Historian shall collect minutes of each session of the Association and have these bound in book form every five to ten years, and shall assist in any way possible in keeping records of the history of the Association. He shall request each church in the Association to make the necessary effort to get a complete history of their church. Some of the churches will want to continue the history from 1918, when a book was published which carried the history of their church up to this date. The Historian shall further suggest that this information be compiled at the earliest date possible, and sent to the Associational Office or to the Historian of the Association. We recommend that the Moderator appoint a committee to begin work on preparing this information to be published in book form.

Motion made, seconded, and so ordered.

Time, Place, Preacher - J.F. Cunningham -

1971 Annual Meeting - October 26 - Mt. Harmony Baptist Church
October 27 - Waxhaw Baptist Church

Alternate - C. Floyd Helms

Moved, seconded, and so ordered.

Historian's Report - John A. Bivens read historical information gleaned from the Church Letters. He also read a brief summary of two important events in our associational year, the calling of the Rev. Aaron Tyner as our missionary and the World Mission Conference. He paid tribute to three pastors who died during the year: the Rev. N.S. Joyner, the Rev. Wade B. Holmes, and the Rev. Leon McKeithan. He moved the adoption of his report and included a recommendation that this year's minutes be dedicated to these three pastors. Motion seconded and so ordered.

36. Nominating Committee - C.H. Arrowood called attention to the Nominating Committee Report as printed in the Book of Reports and moved its adoption. Motion seconded and carried.

37. Committee on Committees - Glenn Rushing referred to the report as printed in the Book of Reports, and moved its adoption, with the stipulation that members may be replaced, if necessary, during the year. Motion seconded and carried.

38. Election of Moderator and Vice-Moderator - Robert Taylor was elected Moderator, and J. Howard Williams was re-elected Vice-Moderator.

39. Mrs. John Sigmon presented the following Resolutions Report:

We, the Union Baptist Association, resolve that we express gratitude to the following:

To the eight host churches who have so ably taken care of our physical needs - Ebenezer, Shiloh, New Salem, Secrest Grove, Pleasant Pines, Friendly, Faith, and Indian Trail.

To the host churches, Secrest Grove and New Salem, who have made their facilities available to us.

To Dr. Carl Bates, president of the Southern Baptist Convention, who honored us with his presence and challenged us with his message.

To our moderator, Robert Byrd, and vice-moderator, J. Howard Williams, for presiding over these sessions.

To our missionary, Aaron Tyner, and the program committee who planned our program.

To Kenneth Griffin, Mrs. Henrietta Mangum, the Handbell Choir of First Baptist Church, Monroe, and the male quartet for leading us in worship through music.

To the Baptist State Convention representatives who have brought greetings and information from our state headquarters and institutions.

To each program participant who made these days worshipful and purposeful.

To Mrs. Virginia Griffin, for her services to this association for the past three years, as she has served as clerk.

To J.B. Helms for his faithful service to the Baptist Men for the past five years.

To the messengers who have come to carry out the business of the association.

To Lewis McLean for his diligence in caring for registration and ushering.

We further resolve that appreciation be expressed for the fine ministry of Glenn Rushing who has pastored in Union County for twenty years and has served three two-year terms as our Moderator. While we regret to lose him, we commend him to his new field. We pray God's blessings upon him in his new endeavor.

Finally, we praise the name of God, who has given us new life in Him that we might do His bidding in our churches, in our association, in our state, and throughout the world.

Respectfully submitted,
Mrs. Clyde Connell, Chmn.
Mrs. John Sigmon
Mrs. Dallas Graham

Motion made and seconded, and resolutions were adopted.

40. The clerk read the memorial as the congregation stood in memory of those who had died during the year. A moment of silent prayer followed.

41. The Annual Sermon by B.L. Connell was a high moment of worship. J.D. Tucker led in prayer preceding the message. Using examples of both Isaiah and Jeremiah, Mr. Connell stressed that God's Word should be "as a burning fire in our hearts." Using the personal example of his own call to the ministry, he urged his hearers to complete commitment and dedication.

42. Closing prayer was by Glenn Rushing.

MESSENGERS TO ASSOCIATION

"The Association in the transaction of business, shall be composed of the pastors of the churches ... and the duly elected messengers .... SUNDAY SCHOOL REPORT

In this year of preparation for the changes in literature, organization, and name, there has been much work and emphasis devoted to these changes which are being accepted well in the association.

With these changes, we must remember that the task of the Sunday School remains the same, that of teaching of Biblical revelation, reaching the unreached, and witnessing daily.

The Associational Sunday School has held its regular conference meetings with good attendance. The emphases of these conferences were the changes in the Sunday School work to be effective October 1, 1970.

The Vacation Bible School Clinic was held April 27-28, 1970, at the First Baptist Church, Monroe, with over three hundred attending. It was led by Rev. Leonard Horne,

Associational VBS Principal who was assisted by Mrs. Myra Motley, State worker.

Thanks to every member of the staff for the work of the past year.

As we look back at the past year's work may we have a greater determination to do more for our Lord Jesus Christ in the year that is now ours, and may God ever lead, guide and direct each of us.

Respectfully submitted,
Reece Rogers
Sunday School Director

CHURCH TRAINING REPORT

The time has come. The 1970's are here. Years of prayer and planning have been spent in preparation for this day. We have new organization patterns, a new grouping-grading system, new program helps and study course books, new periodicals, and new curriculum.

As we begin anew, let us strive for a renewed sense of dedication to our Lord and to our work for Him. We have been entrusted with the sacred responsbility of training church members. Church members have always needed training, but never before has the challenge to train been so great. Trained, committed church members are needed to communicate the gospel to today's world. If churches are to fulfil their mission in this age, members and leaders must be trained.

In 1969, 82% of the churches in the Southern Baptist Convention had organized Baptist Training Union work. Union Association did not do this well. A new attitude toward training must be instilled in the hearts of pastors, church leaders, and church members in Union Association. May we pray for more zeal and spiritual energy to meet the need of trained workmen in the greatest work on earth, serving Christ through His church.

May we ask ourselves what we are doing to meet the following tasks which have been identified as making up the training program of a church:

A. Orient New Church Members.
B. Train church members to perform the functions of a church.
C. Train church leaders.
D. Teach Christian Theology, Christian Ethics, Christian History, and Church Polity and Organization.
E. Provide and interpret information regarding the work of the church and denomination.

As you can see, the responsibility of the church training program has been broadened, especially in the areas of new member and church leader training. The church training program has no reason for being, except to meet the training needs of church members.

In every area of life - in business, in education, in government, in athletics - Training is a must. Surely, we will answer with a renewed commitment to become better trained church members, remembering Paul's admonition to Timothy: "Do your best to win full approval in God's sight, as a worker who is not ashamed of his work, one who correctly teaches the message of God's truth." (2 Tim. 2:15 - Today's English Version)

We, of the Associational Church Training Council, have not and do not intend to burden you down with associational meetings. However, we stand ready to help in any

way we can in this all important task of training people in the business of our Lord. It is imperative, not only for growth and progress, but for survival itself, that we train as never before.

O. Max Melton
Associational Training Union Director

WOMAN'S MISSIONARY UNION REPORT

In this year of many clinics and workshops, WMU feels that we will be well prepared for the new grouping-grading plans.

The WMU Associational Annual Sessions were held on April 16 at the First Baptist Church of Monroe, North Carolina. The featured speaker was Miss Bernice Popham from WMU State Headquarters. Our Associational Missionary, Mr. Aaron Tyner, made his first appearance before our women. Hostess churches for the meeting were Lee Park, Mt. Zion, Sandy Ridge, and Sutton Park.

The WMU Council met regularly and our leaders attended a workshop at Camp Mundo Vista preparatory for our Leadership Courses.

WE AGAIN ATTAINED A "DISTINGUISHED" RATING FOR THE YEAR.

Our plans for the coming year include much mission action on the home front. We hope to be able to organize several literacy classes.

Respectfully submitted,
Mrs. Anne A. Brooks, Director

BROTHERHOOD REPORT

Brotherhood is a challenging program for the men and boys of our association. It is designed to help the church lead them to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions. Brotherhood can most certainly strengthen the missions program of our churches through planned study and activities for boys (grades 1-12) in Royal Ambassador chapters, and for men (above 18) in Baptist Men units. Only if you use it can it help. Less than half our churches have active Brotherhood programs.

Emphasis during the past year has centered on our "Facing up to the Seventies." Our planning committee has participated in two association-wide meetings to acquaint our men with the new program of organization. Special effort was made to acquaint our men with the new R.A. program for grades 1-3.

An association-wide track-meet for R.A.'s was planned for the last week in May at Wingate College, under the leadership of Mr. Thomas Faulkenberry.

The top activity of the year was our annual workshop held at Lee Park Church on October 8. Separate sessions were held for Baptist Men and Royal Ambassadors. Fifteen churches were represented. We sincerely hope that this may help us get off to a good start for next year under the new leadership.

On behalf of my associates and myself, I want to thank you for allowing us the

privilege of serving as Brotherhood officers. I hope that our efforts shall not have been in vain and that improvement will come under the leadership of our new officers. Through your prayers and cooperation you can help them to help us.

Respectfully submitted,
J.B. Helms,
Retiring Brotherhood Director

Taught 2 study courses
Have been in 28 churches
Preacher 25 times
Traveled 11,457 miles

In addition to the above, I have sought to aid wherever needed and invited to do so. I have promoted associational as well as denominational causes.

The World Missions Conference was promoted and carried out plus numerous letters, audio-visuals, and many other things not recorded.

I feel that there is a potential here that reaches beyond the imagination. My prayer is that God will continue to bless the work of our churches and people.

Your support to associational missions has been wonderful. We thank you for your support to your sister churches. We trust that in this year you have or will double your contributions to associational missions in order to do that which has been planned for your benefit.

These seven months that I have been in your midst have been busy ones. I especially wish to thank those of you who labor in the association and congratulate you for the quality and dedication of your work.

COOPERATIVE PROGRAM REPORT

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One thousand and seventy-three churches increased Cooperative Program giving by ten per cent or more over the previous year. This increased sharing will enable all to have a greater part in healing the sick, feeding the hungry, clothing the naked, visiting the imprisoned and preaching the gospel to the poor. Congratulations are in order to every individual and church making this ministry possible.

Helping churches advance in stewardship and missions is one of the basic aims of your Stewardship-Cooperative Program Chairman, General Board Member, Superintendent of Missions, Moderator, and the Division of Stewardship Promotion of the Baptist State Convention. Do you need help with Annuity and Insurance for your pastor and/or other staff personnel, Week-end Stewardship Revivals, Growth in Christian Steward-

ship Program, The Forward Program, Study and Preaching Program, Tithers Enrolment Week, Planning a Budget, Youth in Stewardship Program, Family Stewardship Program, Visual Aids, Communications, Developing a Special Stewardship Program, Principles of Family or Church Budgeting, Settin up Better Financial Record Keeping for your church, or leaflets and other information on the Cooperative Progam, State Missions, and Family or Church Finance?

The Cooperative Program is the main channel of supporting World Missions, Christian Education, Social Services, and ever-increasing State Missions Programs. The goal for these causes this year is $7,000,000.

As Dedicated Christian Stewards will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget?
2. To increase the percentage of the offering plate dollar given through the Cooperative Program?

Your associational officers and your Division of Stewardship Promotion personnel are delighted to offer friendly service to aid your stewardship program, Cooperative Program sharing, visual aids or annuity requests. On your invitation we stand ready to assist in every possible way.

B.L. Connell, Chairman

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care Unit includes an instrument which is attached to the patient to measure his heart action and blood pressure; if either varies from a safe range, the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their

insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of the amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

CHILDREN'S HOMES REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

The Children's Homes, through a variety of quality services, are recognized as a family service agency. This is made possible by a well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on seven campuses and through the work of regional casework centers throughout the state.

Broyhill Home at Waynesville and the Maternity Home at Asheville are scheduled to open within the next few months, extending our ministry into Western North Carolina. In the East, Odum Home at Pembroke continues its vital ministry and the Kennedy Home at Kinston is entering its intensive development program. Our ministry in Piedmont North Carolina focuses in Mills Home at Thomasville, Greer Home at Chapel Hill, and Wall Home at Wallburg.

We want you to become thoroughly acquainted with the Baptist Children's Homes of North Carolina. The more you know about the agency, the more you will appreciate its daily work and ministry. You would be thrilled to see the progress our boys and girls make as they emerge out of difficult and unfortunate circumstances over which they have no control. Through this ministry you can find personal joy and excitement in helping people.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We convenant with you to

face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

J.B. Helms (Rev.), Chm

HOMES FOR AGING REPORT

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of $168,349.34, from July 1, 1969, through June 30, 1970, from our Baptist churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000 to the Homes for this purpose, contingent upon the Homes raising an additional $80,000 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord and our Baptist people for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian loves means so much, in the faith that our needs will be supplied.

Respectfully submitted,
J.D. Tucker

CHRISTIAN HIGHER EDUCATION REPORT

Christian Higher Education should be a concern of every member of every Baptist Church throughout the Southern Baptist Convention. It is necessary for each member

to inform himself about this kind of education if he is to come to a realization of the impact such education is making, and will make, upon future generations. In fact, when we do learn about Christian Higher Education, we will learn about one of the oldest educational cooperatives in North Carolina and one of the oldest in the country.

The Council on Christian Higher Education continues to serve as a coordinating agency of the seven Baptist Colleges in North Carolina. It was begun almost twenty-five years ago. The Council membership is made up of the following: Presidents of the colleges, deans of the colleges, chairmen of boards of trustees of the colleges, and sixteen members of the General Board's Committee. Special material is available in the Council office concerning all our Baptist colleges. Churches and individuals may get this material by writing the Council on Christian Higher Education, 301 Hillsborough Street, Raleigh, North Carolina, 27603.

The enrollment of over 12,000 students in our seven Baptist Colleges this year, speaks well for the administrators, facilities, and friends. More than 600 of these students have dedicated their lives to full time Christian service. The largest number of these young people will become pastors, missionaries, directors of Christian education, church musicians, and Christian college teachers.

Quotes from the 1968 Baptist College Day theme "Youth's Challenge to Church and College," say: "The picture of today's college student as a rebellious, indifferent, immoral, hard drinking, drug addicted 'problem child' is a totally erroneous picture. Today's Hippie, like yesterday' Beatnick, represents less than three per cent of all students enrolled in college. However, he is not interested in religion as an abstraction. He wants religion to be a meaningful, living experience. For him religion must relate to life, and by life he means people."

Many Baptist young people want to participate in the life of the church and denomination. These students are anxious to be used and many were used the past two summers. Think on these quotes from pastor and student: "Our summer was the best we have ever had. This was in a large measure due to the youth worker who did an outstanding job and won the hearts and appreciation of all the people." "Because of this past summer, I have grown up as a Christian in many ways, and my eyes have been opened to the needs of people."

Outside of student fees, the Cooperative Program continues to be the largest source of annual income for our colleges. Did you know that last year 250,000 young people were aided in getting a Christian education in more than 1,300 Baptist schools around the world because churches give through this program? Truly our Baptist colleges are grateful for the generous support they have received during the past year. Wingate College received $184,362, and the other six colleges received amounts probated on their enrollments.

The Baptist Youth Corps has moved into its second summer of operation. This joint venture between the Baptist colleges and the Church Training Department has been a highly profitable venture for both colleges and churches. Increased interest has been shown by the large number of applications this year.

Some other areas in which Baptist college students are working are: Vacation Bible Schools, Brotherhood Department, Summer Assemblies, Woman's Missionary Union, and weekend revival teams.

Business and industry look with much interest toward the North Carolina Foundation of Church-Related Colleges. Result: During 1969-70 business and industry contributed $713,427.37 to these colleges.

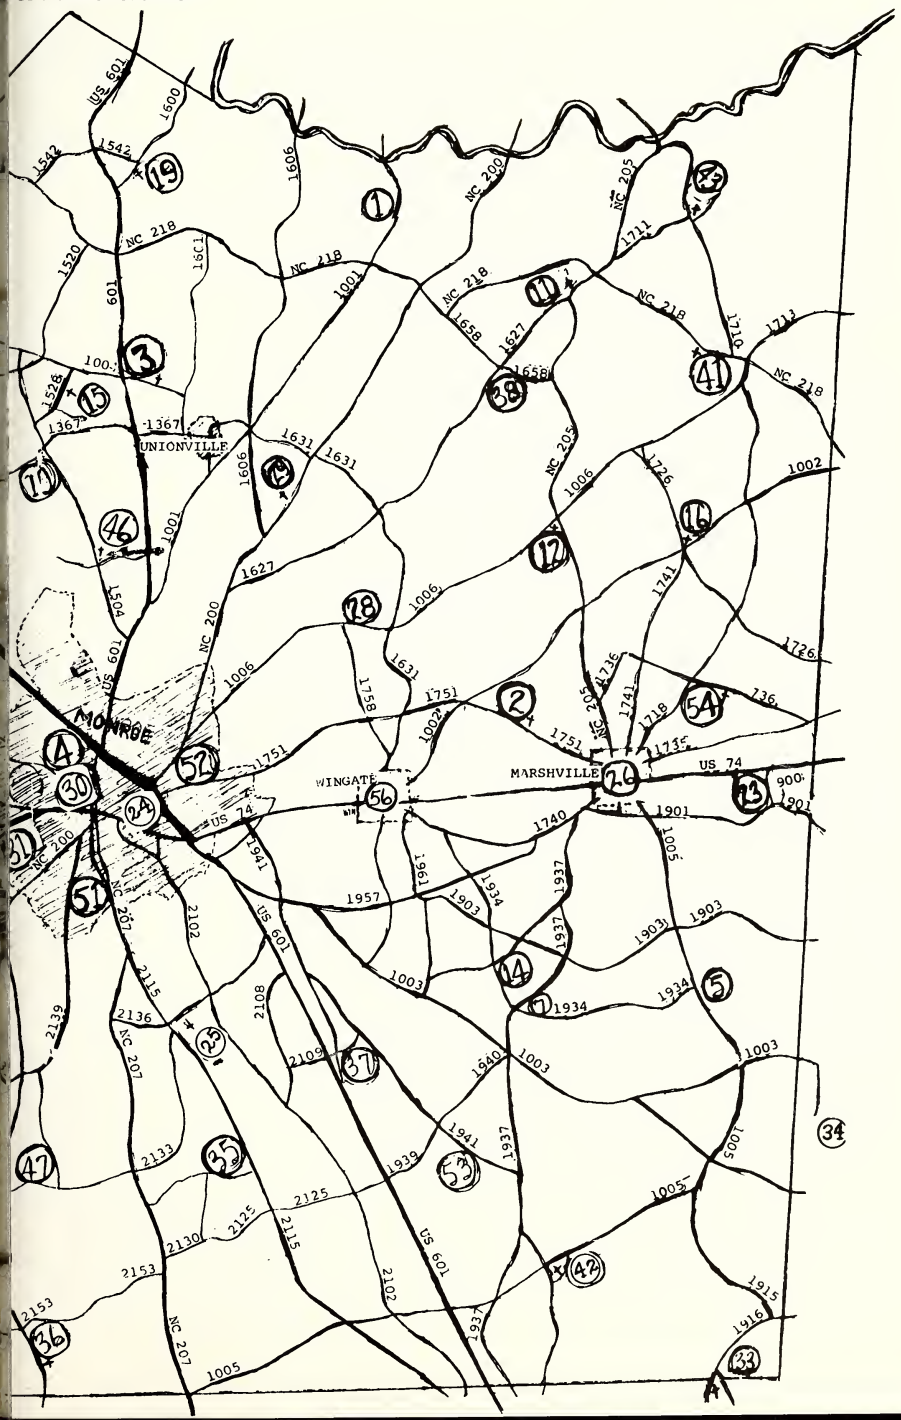
ASSOCIATION



ORDINATION COMMITTEE REPORT

The Ordination Committee of the Union Baptist Association questioned for the gospel ministry Brother Kenny Wallace, at Faulks Baptist Church, Route 1, Wingate, North Carolina. After a very long question and answer period, Brother Kenny answered the questions very well.

The Committee requested that the Faulks Baptist Church of which he was a member proceed with the ordination.

Brother Kenny Wallace had accepted the call as pastor of the First Baptist Church, Stanfield, North Carolina.

CHRISTIAN LITERATURE REPORT

(Biblical Recorder)

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the BIBLICAL RECORDER as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the RECORDER was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A RECORDER editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the RECORDER has had in the past year.

Looking to the future, the RECORDER promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the RECORDER to every home, try doing this for the coming year so your members can receive the full story of the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The RECORDER is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

RADIO AND TV COMMITTEE REPORT

Few Southern Baptists realize the full scope of the work they are doing through their Radio and Television Commission. Do they, for instance, know that from 1960-69, the Commission received through the Cooperative Program a total of $7,419,000 for operating purposes? Or, that in return, their Radio and Television Commission obtained a total of more that $37,000,000 in free time from the radio and television industries?

Do they know that the total weekly programming level, foreign and domestic, during 1960-69, rose from five programs and 844 broadcasts in 1960 to 44 programs and 2,783 broadcasts at the end of 1969? Or that Southern Baptists carry on a massive ministry through the Armed Forces Radio and Television Network to our men and women in the military all over the world? Do they know that Southern Baptists, through this Commission, have the largest electronic ministry of any religious group in the world?

These and many more distinctives set this ministry apart as one of the most vigorous and productive of all the programs in which our denomination is engaged.

The Radio and Television Commission reached deeper into the potential audience for its programming in 1969, and took hold of a larger segment than ever before. With the origination of new radio and television programs, it was possible to initiate a broadcast somewhere in the world on the average of every three minutes, for a total of 152,002 separate broadcasts.

Commission productions increased from 32 to 44 during the year and the total number of programs aired weekly reached 2,783, an all-time high.

POWERLINE, the "top 40" radio program for teenagers, is currently on 356 stations; and COUNTRY CROSSROADS, featuring a magazine format, and based on "country and western" music and its well-known performers, is on 193 stations. These two accounted for a majority of the year's new stations.

THE CENTURYMEN is a newly organized 100-voice male singing group composed of ministers of music from Southern Baptist churches. Devoted to providing music for the Commission's broadcast programming and to representing the denomination internationally, the choir made its premiere performance on the National Broadcasting Company television network on December 28, 1969, and appeared several times in person at the Southern Baptist Convention in Denver, June 3, 1970.

Ten hours of broadcast time was given by the networks at an average value of $70,000 per hour in 1969. The total number of programs produced by the Commission for the radio networks (ABC, NBC, and CBS) during the year came to 62, and the time to fifteen and one-half hours.

Southern Baptists have a massive ministry to all the children of the world in JOT, the animated children's program for television. The number of stations carrying this program will rise from 40 to 100 during 1970. The JOT films are also available for church use through the Film Centers of the Baptist Sunday School Board.

Next year will bring changes in THE ANSWER series, with the name and style phased out to make way for a shift from drama to live and film documentaries in a series called THE HUMAN DIMENSION. To date, eight of the programs for this series have been produced.

Last year an advertising agency concept was begun by the Commission under the name of TimeRite, Inc., for the general benefit of the entire denomination. Three TimeRite representatives are now operating out of offices in Wilmington, North Carolina; Dallas, Texas; and Fresno, California to service the radio and television

needs of local churches, associations, state conventions, and other agencies of the Southern Baptist Convention.

J.P. Allen, former pastor of Broadway Baptist Church and president of the Commission's trustees, was appointed director of the Audience Response Division of the agency. This action reflected a new concentration by the Commission on the spiritual problems and Christian growth of those who respond by mail to its radio and television programs.

PRISON MINISTRY REPORT

After an outstanding tenure of service, Reverend Kenneth Wellmon, our Union County Prison Chaplain, resigned last June in order to go to Southeastern Baptist Theological Seminary. Rev. Glenn Flowe was selected to become our new Chaplain, and Mr. Charles Dawkins was chosen to be his assistant.

During the year many decisions for Christ have been made by the prison inmates, and a well-rounded religious program was maintained. A Community Volunteer Program was begun. This program allows the inmates to leave the prison with an outside sponsor and attend church services.

We are still waiting for approval from the State Prison Department for a mobile chapel for the prison compound.

EVANGELISM REPORT

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, strength for Living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependence upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32: "This Jesus hath God raised up, whereof we all are witnesses." In his book EXPLORING EVANGELISM, Mendell Taylor reminds us of this tremendous truth: "When Christianity fails to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

Pastor's prayer meetings were begun in the Union Baptist Association in November, 1968. These Prayer Meetings were in connection with and on behalf of the Crusade of the Americas. We have continued these prayer meetings on a monthly basis in the churches of the Association, with an average attendance of about 20, and we will continue to have them once each month throughout the 1970-71 Associational year.

An Associational Evangelism Clinic is being planned for January 21, 1971, in the First Baptist Church of Monroe, North Carolina.

An Evangelism Research Seminar has been planned at Southeastern Seminary, Wake Forest, North Carolina, for October 5-6, 1910. This seminar will include an indepth study of five papers related to evangelism.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

Will you join with the committee on Evangelism in prayer, that there may be a continued and combined effort on the part of all our churches to evangelize and win the lost to faith in the Lord Jesus Christ.

Respectfully submitted,
Robert L. Taylor

INTERRACIAL COOPERATION REPORT

Corbin L. Cooper, Secretary

North Carolina Baptists have a wide variety of attitudes toward an all-inclusive ministry. They range from churches who seek enthusiastically to evangelize and witness to people of all races and cultures, to congregations who refuse to allow their pastors to mention the need for better race relations in the community.

The Department of Interracial Cooperation has the primary purpose of promoting more cooperation between the two Baptist State Conventions in North Carolina. The objective is to aid Southern Baptists and National Baptists in North Carolina in their efforts to reach all people with the good news of the gospel. An increase of the spread of the gospel in all parts of the world depends on loving cooperation across racial lines at home.

A record number of 63 representatives from the General Baptist State Convention attended the annual statewide Vacation Bible School clinic at Wingate College in January. These represented 17 of their 57 associations. A future goal is to invite representatives from all associations.

A new seminary extension class enrolling 35 ministers was held in Rocky Mount in March and April, 1970. Classes held at Shaw University enrolled 180 ministers. Additional classes are being planned for various areas throughout the state.

Conferences on human relations were held in April at the Blackwell Memorial Baptist Church, Elizabeth City, First Baptist Church, New Bern, and the Wilkesboro Baptist Church, Wilkesboro. The Reverend John Fleming, professor at Shaw University, Raleigh, and Dr. Henry Turlington, pastor of the University Baptist Church, Chapel Hill, assisted with these conferences. In May the department participated in a successful two-day interracial conference planned and executed by leaders in the New South River Association and the Union Association. All associations have been encouraged to conduct similar type meetings, utilizing the Department of Interracial Cooperation for resource materials, assistance with program personalities and other services.

Also in May, a survey was made to determine what associations and churches within the Baptist State Convention were doing toward promoting a program of work with General Baptist churches. The responses were collected, summarized and copies were sent to all associational missionaries.

Scholarship aid was provided for 23 students at Shaw University, Fruitland Bibl Institute, Hood Theological Seminary, Southeastern Seminary, Saint Augustine' College, and North Carolina Central University. This number of scholarships coul not have been made available without the assistance of the Howard Memorial Chris tian Education Fund, Inc., Buies Creek, North Carolina.

During 1970 the department appointed 28 young people and adults who served a summer missionaries in a variety of positions. Four of these were sponsored by th Home Mission Board. These workers helped to conduct 55 Vacation Bible School throughout the state. The enrollment reached 4,817 with 100 professions of faith In addition to this, the summer workers served with Bible camps and youth group in Asheville, Brevard, Durham, and Winston-Salem, and a week-day ministry know as "Camp Amigo" in Charlotte. Total enrollment for these latter ministries reache over 400.

Those who serve with the department in addition to the Secretary are: Mrs. Mary E Washington, office secretary; Reverend C.C. Craig, Raleigh; Reverend J.Z. Alexande Raleigh; Reverend Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall Asheville. In December, 1969, the Reverend Marvin Williams, Rocky Mount, resigne his position after nine years with the department, to accept a pastorate in Virginia

BAPTIST FOUNDATION REPORT

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUST AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION HAS HAD A MOST SUCCESSFUL YEAR, is on the move, and is rendering service to individual Baptists in a concrete way.

ANNUITY BOARD REPORT

GOOD EXPERIENCE CREDIT BOOSTS BENEFITS

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970. Briefly, here is how it works.

For the active member and his family the stipulated amounts of eligible benefits in Plans A10 and A11 (Formerly Southern Baptist Protection Plan) now are the mini-

mum. The "good experience credit" will be extra-over and above the minimum. For 1970 the "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending on interest earned.

Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. In addition, these members received the "13th check" in February. The "good experience credit" and the "13th check" are realities because interest earnings were in excess of what was required actuarilly by the plans.

"13th CHECK" LARGEST TO DATE

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

HISTORY OF BENEFITS PAID

Since 1918 the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

HIGHLIGHTS OF 1969

If the "good experience credit" had been the only accomplishment, 1969 would have to rank as one of the most successful years in Board history, but there were other impressive accomplishments. Here are highlights of the Annuity Board services for 1969.

Total Active Members In:	
Plan A of Protection Program	24,256
Plan B of Protection Program	9,756
Plan C of Protection Program	3,358

*Includes lump-sum and one-time payments.	
New Benefits Recipients	1,059
*Retirement	643

Widow	139
Child	105
Education	100
Variable	21
Relief Recipients	464

Relief Payments	$176,165
Total Benefits Paid	$7,273,851

ANNUITY BOARD PROGRAMS

A minister, church or denominational employee can create a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health and life insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas, 75201.

UNION BAPTIST ASSOCIATION PARTICIPATION

Union Baptist Association is participating in this plan, and 33 of the churches of Union Baptist Association are participating in the Protection Program.

GOOD GOVERNMENT REPORT

"By the blessing of the upright the city is exalted: but it is overthrown by the mouth of the wicked" - Proverbs 11:11

"Righteousness exalteth a nation: but sin is a reproach to any people" - Proverbs 14:34

Wise men from the time of Solomon down to our present troublous times have known the truth of these two proverbs. Again and again the prophets of God have pleaded with the nations of the world to render not only unto Caesar the things that were Caesar's but unto God that which is God's. And Paul in his letter urging the Christians in Rome to be "subject to the higher powers ordained of God" also urges them to "stop doing the things that belong to the dark" and to "take up the weapons for fighting in the light." (Romans 13:12 TEV)

Never before in history have cities so needed "the blessing of the upright," nations so needed to be exalted by righteous lives and leadership, nor Christians been so challenged by "things that belong to the dark" to take up the weapons of light and fight against evil in high places.

What can the Christian do? Living the spirit of Christ, he can first of all be a good citizen, obedient to law and order, faithful in his support of and tribute to the government, concerned for the welfare of the state, eager to promote peace and goodwill, informed and responsible in his use of the ballot and in his influence for good and for righteousness.

Secondly, he can be an active defender of the Christian faith and practice. He can speak out for religious freedom, for separation of church and state, against alcohol, gambling and crime in any form. He can commend publicly those within the community, state, and nation with courage to state their convictions and to be counted as true Christians. And he can with every opportunity help expose those persons and those elements that would destroy the basic Christian tenets and practices upon which our Christian American heritage rests.

Righteousness DOES exalt a nation - but it is not a theory or principle of impersonal holy righteousness; it is a righteousness that moves and breathes and speaks

and manifests itself in the lives and leadership of individual Christian persons, in the daily Christian witness of you and me.

ASSOCIATIONAL HIGHLIGHTS, 1969-70

As the history of the Union Baptist Association is being recorded, we feel that there are several events worthy of note.

In March of this year, the Rev. Aaron Tyner came to serve as Supt. of Missions for our Association. Mr. Tyner is a native of Hartsville, S.C., where he attended the elementary and high school. He studied at Wingate College, Furman University, and the Golden Gate Seminary in California. He has served as pastor of churches in California and in North Carolina. He came to our Association from Holly Hill, S.C., where he was serving as Superintendent of Missions. Well-qualified by training and experience, he has applied himself diligently to the work of our Association during these months with us and has endeared himself to pastors and people. He has a lovely family, a wife and three daughters, Mrs. Tyner, a native of Montana, is also a dedicated Christian and is able to assist her husband, especially with the secretarial tasks. Let us uphold Mr. Tyner in every way we can by our prayers, in cooperation and in the support of our Associational Missions program as together we go forward in the Kingdom work.

Our World Mission Conference in the Association, Sept. 27-Oct. 2, 1970, was a blessing to many, and a number made definite decisions. Our people were impressed with the dedication, zeal, and courage of our missionaries as they give themselves in carrying out the Great Commission of Jesus Christ to "Go ... Tell." Those coming as representatives of our Southern Baptist Convention mission witness were: Jack Mahaffey, Thailand; Jerry Potter, N.C. missionary to the deaf; Mr. and Mrs. Orville Reid, Mexico; Armando Silverio, Italian language, Pittsburgh, Pa.; Roy Owens, Home Mission Board; Miss Carol Humphrey, Nigeria; Clarence Griffin, Indonesia; Mr. and Mrs. George B. Cowsert, Brazil; Ray Frye, Malaysia; Thurman Allred, State Missions; Boyd Horton, Home Missions; Aaron Tyner, Associational Missions.

The thirteen churches in our Association participating in the World Mission Conference and assuming the responsibility for providing for one missionary during the week, including transportation, were: Benton Heights, Centerview, Hamilton Cross Roads, Hermon, Marshville, Mill Creek, Monroe First, West Monroe, Mt. Zion, New Salem, Philadelphia, Shiloh, and Wingate.

BENTON HEIGHTS BAPTIST CHURCH

1947-1970

Benton Heights Baptist Church was organized August 17, 1947. This organization became a reality after many months and weeks of prayer and planning meetings. The

first meetings of the residents interested in having a Baptist church in this section of Monroe were held at the Benton Heights school, meeting with the official Board of the Union Association. These meetings were later moved to the Benton Heights Methodist Church, where the doors were opened so Sunday school and worship services could be held each Sunday afternoon. Our church today is deeply indebted to Rev. J.N. Watson who was serving as moderator of the association at this time, and to Mr. Boyd Horton who was serving as the Associational Missionary, for the wonderful Christian leadership that we received from them. And on Sunday afternoon, August 17, 1947, the church was organized with a membership of 65 charter members; these members came from eight different Baptist churches of the Union Association.

Rev. J.W. Digh was called as first pastor, and during his pastorate the first steps were made for a location and building. We moved into a new building in 1949. Many additions by letter and baptism were added to the church roll before Mr. Digh left this pastorate in 1949.

Rev. M.T. Gales was called to pastor the church in June, 1949, and served through August, 1952; during his pastorate, our church continues to make progress and soon there was need for much more room. And it was during this pastorate that we started our new building fund drive and selected plans for a new educational building. Also, in 1952, the church licensed Delmar T. Griffin and J.M. Stamey to preach the Gospel.

In November, 1952, our present pastor, Rev. L.E. Bookout, began his work with us, and during this time our membership has doubled; many new programs have been started and are continuing. Briefly we list other events that have taken place during his pastorate:

1953 - Church paid off debt on old parsonage; adopted budget, installed baptistry.

1957 - Ground-breaking held for new educational building; remodeled auditorium; set aim to have departmentalized Sunday school; licensed Charles W. Brock for Gospel ministry.

1960 - Completed Educational building; started departmental Sunday school, first Sunday in October.

1964 - Bought office furniture and equipment; air-conditioning units installed in sanctuary; church received chimes given in memory of Mrs. Martha Griffin by her family.

1967 - Church purchased new Hammond organ; sold parsonage on King Street and purchased the residence at 502 Foch Street for church parsonage.

1970 - Made final payment on the loan on our educational building. On Sunday, August 16, 1970, Benton Heights Baptist Church celebrated its 23rd birthday with Rev. M.T. Gales, a former pastor, bringing the message, followed by burning of note on educational building loan. Those taking part in this service were the trustees: Mr. Sid Shannon, Mr. P.S. Baucom, Mr. Brice Haigler - and Mrs. Wriston Helms, who represented Mr. Wriston Helms, her husband, a charter trustee, who passed away earlier this year.

As we look back over the years of Benton Heights Baptist Church's time in service, we remember many who have passed on; we remember their lives and deeds and many hours of Christian fellowship shared with them. We can truly say it was good to have known them. It gives us a renewed determination to do better work in our church and for our Lord.

BETHEL BAPTIST CHURCH

Bethel Baptist Church was organized August 2, 1861. Elders S.J. Fincher and S. Head directed the meeting and seventeen members, six male and eleven female, were accepted. These were: Alfred Ashcraft, James Bivens, John S. Marsh, Peter Parker, S.H. Parker, S. Ross; and Jane M. Bivens, Martha E. Green, Sarah J. Griffin, Ann Liles, Drusilla Marsh, Eliza E. Moore, Nancy Parker, Zilphia Parker, Elizabeth Ross, Mary Ross, Jane Warren.

The Rev. S.J. Fincher was called as the first pastor and served the church until 1866, through the bloody Civil War years and the Reconstruction Period. John S. Marsh was elected church clerk, and Alfred Ashcraft and S.H. Parker were ordained the first deacons. The church presented a letter by delegates S.H. Parker, James Bivens, and John S. Marsh to the eighth session of the Brown Creek Association meeting with Philadelphia Church on October 11, 1861 asking for membership. It was unanimously received and became the seventeenth church to join the association.

In 1868 the church called Joseph A. Bivens, familiarly known for many years as "Uncle Joe," to be its pastor. During the next fifty years he served as pastor a total of twenty-eight years, and the history of the church is a tribute to his life and work. One of the older, former members of the church was heard to remark recently, "When I was young, I didn't know there was any preacher except "Uncle Joe."

During these years it is interesting to note that in February, 1909, the church adopted envelopes for collecting church finances. In June, 1910, Sister Zilphia Rushing Marsh, wife of Rev. Augustus Marsh, presented the church with an organ. This was the first time an instrument of music was used in worship at Bethel. In May, 1911, three Sunday School rooms with a baptistry underneath the center one were added to the church building, and in May, 1913, a well was bored on the church grounds.

On Thanksgiving Day, 1916, J.C. Meigs, a young man who was already an active member of the church, preached his first sermon. In September of the following year he was set apart to the full work of the gospel ministry by a presbytery composed of the following: Rev. J.A. Bivens, moderator, Rev. M.D. L. Preslar, clerk; Rev. E.C. Snyder, Rev. C.J. Black, and Rev. Augustus Marsh. Then he was called to pastor his home church and served it for the next eight years. He returned as pastor in 1933 and served an additional three years.

His ministry marked years of progress for the church, both spiritual and physical. In March, 1920, it was decided to build to the north side of the church three additional Sunday School rooms, and an entry with a steeple overhead. These additions were completed in 1922. A new piano to replace the organ was purchased, and carpeting was installed at the front of the church and down the aisles. All of these improvements aided the appearance of the building inside and out and added to its usefulness for Sunday School and worship.

Its usefulness ended in tragedy, however, when on Sunday, October 24, 1937, it was completely destroyed by fire during the Sunday School hour. A water brigade was formed, but lacking a ladder, it was practically useless, since the fire started around the stove flue. All of the contents of the building were removed, after which the congregation stood and watched it burn, while making plans to rebuild.

This marked the end of one of the oldest church buildings in the Union Association, having been constructed in 1861 on land given by Thomas J. Ashcraft, son of Alfred Ashcraft, one of the charter members of the church. No deed for this gift has been found. The first minutes simply record the organization of the church as taking place

in the Bethel Meeting House. It was not until 1949 that W. T. (Bill Griffin, great-grandson of Thomas Ashcraft, who owned the property at this time, gave a deed to what was thought to be the original plot consisting of 1.7 acres.

In 1960 an additional 1.4 acres between the old road and the present road in front of the church was given and deeded to the church by Bill Griffin.

The Rev. W.C. Blackburn was pastor when the building burned. A new building was completed and used for worship for the first time on the fifth Sunday in April, 1938, about six months after the old one was destroyed. This testifies to the willingness of the members to work together and the faithfulness of friends to help in time of trouble.

From time to time improvements have been made on the building since it was first used. It now consists of a sanctuary and six Sunday School classrooms. In 1954 new pews and pulpit furniture were purchased to replace the old ones.

The present pastor, James Johnson, was called in January, 1963. During his ministry the church has experienced a time of continual growth. A new piano was purchased in 1963, and a combination heating and cooling system was installed in 1965. Plans are now in progress to build a new building which will contain the sanctuary. The present building will be used for educational purposes.

Although Bethel has remained one of the small churches in the Brown Creek Association, whose name was changed in 1884 upon a motion by Rev. J.A. Bivens to the Union Baptist Association, it has made an important contribution to the life of the community in which it is located and to the activities of the Association. The thirty-first session, the first one to bear the new name, met with Bethel October 15-18, 1885. *The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.
